OCTOBER 2021

Frederick is sending 10 to state meet

By HEIDI MARTTILA-LOSURE

“Hard work usually pays off. You just don’t know how or when.”

That’s what Coach Janelle Barondeau said two and a half years ago when she was presenting awards that highlighted one runner who made it to the state cross country meet in 2018.

Apparently, the “when” for the Frederick team is now: Ten runners—two full varsity teams—will represent Frederick at the state meet Oct. 23 in Sioux Falls.

The girls and boys teams each placed third at the Region 1B meet on Oct. 14 in Webster, which earned them the state berths. Three of the girls and all five of the boys also qualified individually. See full results on page 11.

Frederick has steadily increased its presence at the state meet, from one runner in 2018 (Brooke Podoll), to two in 2019 (Morgan Sumption and Johnathan Bretsch), to six in 2020 (Morgan Sumption, Johnathan Bretsch, Milo Sumption, Stephen Achen, Jericho King, and Levi Little).

The Frederick girls varsity cross country team is headed to the state meet Oct. 23. Pictured are, from left, Coach Janelle Barondeau, Sofia Losure, Morgan Sumption, Laura Sumption, Katie Bretsch, Gabby Millard, and Coach Sarah Sumption.

The Frederick boys varsity cross country team is also bound for state. Pictured are, from left, Coach Janelle Barondeau, Stephen Achen, Jakob Sumption, Johnathan Bretsch, Milo Sumption, Winston Clark, and Coach Sarah Sumption.

Fiber optic broadband work under way

By HEIDI MARTTILA-LOSURE

You may have noticed construction work along rural roads and near homesteads this summer and fall. Crews from James Valley Telecommunications have been installing main lines of fiber optic cables in rural areas of their coverage area, including near Frederick.

How far they will get on the main line work this fall depends

on Mother Nature, materials, and manpower, according to Jeff Evenson, sales and marketing manager at Northern Valley Communications and James Valley Communications.

Connections directly to people’s homes will happen over the next two years. James Valley plans to have more information for getting customers connected.

The main line work is supported in part by state funding. Evenson said upgrades to fiber had been planned anyway, but the additional funding allowed work to proceed more quickly.

Fiber optic broadband has a variety of advantages for customers over other internet connections, including better internet connection speed, reliability, signal strength, and bandwidth.

HOMECOMING 2021

ABOVE LEFT: Homecoming Queen Allena Shell and King Mason Hinz take a lap around the football field during halftime on Sept. 24. **ABOVE & LEFT:** To the surprise of most in attendance, the Averra Careflight helicopter delivered the game ball. Arranging this dramatic start to the game was Careflight nurse Lyndse Dellman, daughter of Carma Ruenz (who substitute teaches in Frederick), who moved back to her hometown of Hecla recently. Coach Jeff Koters provided her with the game ball a few days ahead of time. PHOTOS BY HEIDI MARTTILA-LOSURE

Students have a week of fun during Homecoming 2021

By ANNA BROTZEL & JERRAD CLARK
FASD Journalism

Homecoming Week was alive and well with school spirit.

On Monday students rolled out of bed as the classic pajama day, which showed plenty of variety of pajama garb. Tuesday had staff and students seeing double as it was twinning day—students and staff picked pairs and dressed alike with their friends. Wednesday was wacky hair/ hat day and Thursday was class color day with each class showing out in their respective colors. Friday capped off Homecoming festivities with spirit day. In the morning stu-

dents worked on their class floats and proceed with the parade.

Other events for students that took place were on Tuesday, when students played games with their class and class advisors.

Thursday brought the always highly anticipated schoolwide volleyball tournament that saw one of the teams of sophomores (they were divided into two teams) win the championship and bragging rights for the year.

Parade winners are pictured on these two pages, labeled with their division and the award they won. See photos of other parade entries on the Frederick SD Facebook page.

Frederick Area's enrollment up by 10 this year

The school year is off and running, and has been for better than a month now already. Frederick Area's K-12 enrollment numbers are higher than they were a year ago on count day — which is the last Friday in September for all districts across the state. We are at 174 students this year, compared to 164 last year at this same time. We were at 159 and 163 the two years prior to that, so it is nice to see our numbers increasing.

Mid-term for the first quarter was Thursday, September 23, and Parent-Teacher conferences were held on Thursday, September 30. The end of the first nine weeks will be Thursday, October 21. The Frederick Area Marching Band was in Groton for their annual marching festival on Friday, October 8. The ASVAB test will be administered to our juniors on Wednesday, Nov 3; and the school will also be hosting a Blood Drive that day as well.

On behalf of our School Board and staff, I would like to personally thank all the individuals who turned out to vote back on September 7 for the proposed opt-out. A simple majority is all that was required, and two-thirds of those voting cast yes votes in support for the opt-out. It is greatly appreciated!

The cross country numbers are up yet again this year. Janelle Barondeau returns as the coach, and she has 23 kids involved in the program, with ten girls and thirteen boys participating.

SUPERINTENDENT'S CORNER

There are five high school girls, including sophomores Chloe Arneson, Sofia Losure, Laura Sumption and Morgan Sumption, and freshman Gabby Millard. The junior high includes eighth-graders Chloe Akin and Alivia Little; seventh-grader Katelyn Bretsch, and sixth-graders Jillian Ellwein and Arabella Clark. On the boys' side for high school, Jakob Sumption is the lone senior, with juniors Stephen Achen, Johnathan Bretsch, Nolan Jensen and Jericho King, sophomore Levi Little, and freshman Noah Kippley. The junior high includes eighth-graders Winston Clark, Erik Losure and Milo Sumption, seventh-graders Jax Holmes and Titus Kippley, and sixth-grader Howard Sumption. The Region 1B Meet will be held in Webster on Wednesday, October 13, with a 1 p.m. start time, with the State Meet in Sioux Falls on Saturday, October 23.

The volleyball season will be coming to an end this month, with the last regular season action taking place in Leola on

Tuesday, Oct. 26, when we play Potter County. Coach Holly Mueller is running the program again and has Shekota Lehmann assisting. There are eleven girls from Frederick Area on this year's squad. Allena Shell is the lone senior and Cole Peterson the lone junior. The rest of the squad is comprised of sophomores Chloe Arneson, Madison Dettler, Jocelynn Ellwein, Sofia Losure, Olivia Morlock, Laura Sumption, and Morgan Sumption, and freshmen Zoe Cox and Zoe Kempf. The post-season will begin on Monday, November 1, with a site and opponent to be determined later.

With the dissolution of the North Border football coop last year, we are back to being the Leola/Frederick Titans on the gridiron again. I am leading the program this year, and my assistants are Marty Morlock, Trevor Van Tilburg, Kennedy Kusters, and Zach Mueller. There are 12 players representing Frederick Area, including seniors Mason Hinz and Wil Nordine, juniors Samuel Vetter and Stephen Achen, sophomores McKinley Kusters, Levi Little, Brayden Sumption, and Tristan Sumption, and freshmen Noah Kippley, Gavin Nickelson, and Clayton Peterson.

The regular season ended on Friday, October 8, when we hosted Ipswich in Leola on Senior Night. First round playoff action will commence on Thursday, October 21.

Mandatory 10-digit dialing begins Oct. 24

PIERRE, S.D. – Beginning Oct. 24, mandatory 10-digit dialing will start to take effect across South Dakota. On and after this date, you must dial the area code + telephone number for all local calls. Local calls dialed with only seven digits may not be completed. Instead, a recording may inform you that your call cannot be completed as dialed.

This new required dialing pattern is the result of the Federal Communications Commission’s effort to establish 988 as a three-digit dialing code for the National Suicide Prevention and Mental Health Crisis Lifeline.

“It’s important to remember that the transition to 10-digit dialing is an essential step in a bigger effort to make vital services and support available to those who need it most. The new 988 dialing code will be available nationwide by July 16, 2022, and will provide a fast and easy to remember way to reach suicide prevention and mental health services, much like 911 is available for emergencies,” explained PUC Chairman Chris Nelson.

To prepare, the PUC recommends consumers take proactive steps prior to the upcoming deadline.

“Updating contacts lists to include 10-digit phone numbers, along with all the technology you use on a daily basis or have around your home or office, prior to Oct. 24 can save you a lot of headaches. Be sure to check the settings of things like smart home devices, medical monitoring devices, home security systems, calling networks within companies, and call forwarding or voicemail services, just to name a few,” said PUC Vice Chairperson Kristie Fiegen. “It’s also a good idea to speak with your neighbors, children, parents and grandparents about this change and the need to update their contact lists and technology settings. Those conversations, and possible assistance in making those updates, will help ensure this transition goes smoothly,” she added.

Starting July 16, 2022, dialing 988 will route your call to the National Suicide Prevention and Mental Health Crisis Lifeline. Until then, customers wishing to reach the Lifeline must continue to dial 1-800-273-TALK (8255).

Injuries plague Titans early

By MASON HINZ • FASD Journalism

At the close of the regular season, the Titans have split wins and losses, 4-4.

In the first four weeks, the Titans saw victories against Warner and Langford and defeats coming at the hands of Florence-Henry and Faulkton, with both of them being ranked in class 9AA and 9B, respectively. Injuries/Covid-19 protocols plagued the team, and only 15 available out of the 24 players were able to suit up for the week 5 game vs. Hamlin in Hayti, where the Titans fell 0-32.

“In my 26 years of coaching football I don’t believe I’ve ever experienced the number of injuries we have been hit with this season,” said Coach Jeff Kosters, who said in September they were down to six starters. “That makes it extremely hard to be as competitive when you are forced to put JV players into starting roles on Friday nights.”

In recent weeks, the Titans defeated Northwestern and North Central but fell to Ipswich. The playoffs begin Oct. 21.

Titans take over leaderboards

BY JAKE SUMPTION
FASD Journalism

Titan runners have not disappointed this cross country season.

“We had hoped depth would be a strength this year, and that proved to be true in this first race,” coach Janelle Barondeau said after their first event in Hoven. “It has been fun to see our kids have success as they develop into competitive runners.”

At Hoven, the varsity girls finished second as a team highlighted by Morgan Sumption (2nd), Laura Sumption (7th), and Sofi Losure (9th) all finished in the top 10. Junior high girls were not to be outdone as Jillian Ellwein (1st) and Chloe Akin (3rd) both had high finishes.

The boys were just as productive as the girls and finished in first as a team. The boys team was led by Milo Sumption (3rd), Stephen Achen (5th), Winston Clark (6th), and Jake Sumption (10th).

Not only did Frederick win the girls junior high race, but Titus Kippley also finished first in the boys junior high race. Erik Losure came in 3rd.

The Titans’ success has continued in later races: Both varsity teams brought home plaques from the Groton Invitational, and the girls won the Lake Region Conference championship on Oct. 6. Team members have also achieved many personal record times this season.

Both of Frederick’s varsity teams won their races at the Groton Invitational on Sept. 27. Pictured are, from left, front row: Gabby Millard, Morgan Sumption, Laura Sumption, and Sofia Losure; and back row, Winston Clark, Levi Little, Johnathan Bretsch, Jakob Sumption, Milo Sumption, Noah Kippley, Stephen Achen, and Jericho King.

The Frederick girls varsity team won the Lake Region Conference championship on Oct. 6 in Ipswich. Pictured are Coach Janelle Barondeau, Gabby Millard, Laura Sumption, Morgan Sumption, Sofia Losure, and Coach Sarah Sumption. All four runners had personal records in the race.

ABOVE LEFT: Titus Kippley won the boys middle school 3K event in Faulkton on Sept. 22. **ABOVE RIGHT:** Jillian Ellwein rounds a corner during the girls middle school 3K event in Ipswich on Oct. 6. She finished third.

Morgan Sumption (foreground) sets a strong pace during the girls varsity race at the Groton Invitational on Sept. 27. Not far behind are Laura Sumption (left) and Sofia Losure.

Titan boys varsity runners were near the front of the pack in this first lap at the Groton Invitational. Titans pictured are, from left, Milo Sumption, Winston Clark, Stephen Achen (just behind Clark), Johnathan Bretsch, Jericho King, and Levi Little.

The Titans celebrate after a wild end to the third game in their match against North Central Sept. 28. The Titans would go on to win 3-1.

VOLLEYBALL

Young team sees improvement over season

BY ETHAN MORLOCK
FASD Journalism

As the volleyball season winds down, the Titans are checking in with a record of 6-19, with wins coming over Wakpala, McIntosh, Sunshine Bible Academy, North Central (twice), and Sully Buttes.

Coach Mueller thought “areas to improve would be their back row passing and getting the ball back up in the air after the opposing team hits at them.”

One surprise the coaches have seen out of the team is how well the young players have stepped up in big roles. “Most of them are sophomores, and that is when you are usually still playing JV minutes. We were optimistic about our serving going into the year, but it has been better than expected.”

The girls wrapped up their Frederick portion of the home schedule against Northwestern Sept. 21. The team has three regular-season games remaining, against Ipswich, Sunshine Bible Academy, and Potter County. Playoffs begin Nov. 1 with a play-in game between the 8- and 9-seed teams.
