# In Memory Of Our Friend Alex Bowman

## Bowman Stories

"Before the homecoming game our 7th grade year, Michaela Podoll, Bowman, and I decided to stop at Michaela's house and jump on the air mattress. After jumping for a while, Michaela decided to launch Bowman in the air. He didn't go very high and he wanted me to jump on the mattress with Michaela. I was a little skeptical but I didn't think much of it. We jumped on the air mattress together, and Bowman was launched so high in the air that he hit the ceiling. On the way back down, he missed the mattress and landed on the ground. All we could hear after that was him crying."  
- Keely P.

"Bowman liked to make up songs/beats for himself while he would dance to his beat. Then he named himself "Joey Dancer." One day in art, he went into the closet where he was not supposed to be. When Mrs. Wampler found out that he was in the closet, he got yelled at and was told to get out. Mrs. Wampler then asked, "Who else is in the closet with you?" Bowman came up with the response, "It was just me and Joey Dancer." Mrs. Wampler, not knowing that Joey Dancer was the same person as Bowman, went racing into the closet to yell at "Joey Dancer" but found nobody in the closet and the whole class started laughing and she finally caught on to the joke."  
- Michaela P.

"We were watching The Conjuring at my house and we were both so scared that we held hands."  
- Keely P.

"In English class he sat right behind me last year and he would always come up and smell my hair. It was so weird but funny because it never failed to happen."  
- Hannah S.

"One of the many times that we were in Walmart just killing time and goofing around Bowman and Jake wanted to play frisbee across the store. So Jake went all the way to the makeup section and Bowman threw the frisbee across the store but we never found it!"  
- Hannah S.

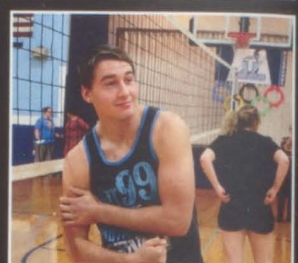

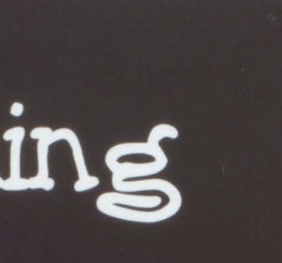

"Taking him home after school we would listen to music and he always had moves no matter what the beat was. I'll always remember him for his moves."  
- Logan S.

"One time we went to the movies with, Jordan, Bowman, Jake, Cassandra, and Lance. We went to The Martian. Bowman and Jake got up because they were going to go get some popcorn and then were gone for a while. Just when the movie was about to start they came in and sat down but didn't have any popcorn. Bowman unwrapped a box out from under his coat and we didn't know they had went to Stir Fry 88 and got Chinese food. Then someone said, "what's that smell" and we looked over and Jake and Bowman were inhaling it and then passed it down the line when they were done."  
- Hannah S.

"One time Bowman, Zach M., and I were all third wheeling for Lance and Cassandra like normal, haha. Bowman asked if I wanted to hold hands so it wouldn't be weird and I said no but he proceeded to hold my hand."  
- Hannah S.

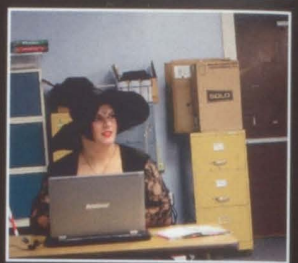

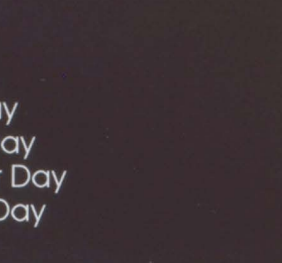

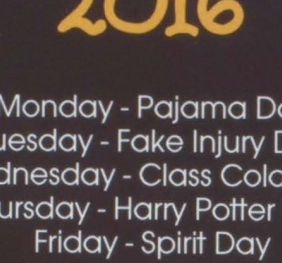

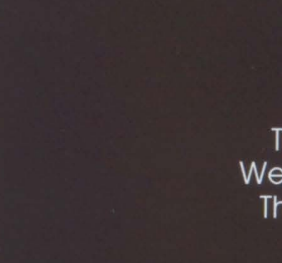

"One time we were at Arby's with his Neon and the reverse was broken. He pulled into the parking lot and parked so that the curb was in front of us and the parking lot was at an angle. So we had to try and push it up the little hill so we could pull out."  
- Tyler H.

"When Bowman ran and dove under the curtain in the gym when Mr. Morlock was lowering it."  
- Bryson W.
