## *Dedication*

We, the graduating class of 1966, dedicate our "Viking" to you -- Mr. and Mrs. Nelson. Both of you have guided us through a cherished four years at Frederick High School and have devoted much time and effort to our education in preparing us for the future. You have shown us patience and understanding when we needed extra encouragement. Out of gratitude and respect we dedicate this annual as a remembrance of us to you. May your future be as happy and successful as our high school days have been under your wonderful guidance.

### CLASS HISTORY

In the fall of 1962, thirty-three freshmen enrolled at F.H.S. They were as follows: Randall Crawford, Darrell Dehne, Russell Eichelberg, Victoria Eissinger, Michael Gelling, Cheryl Glaser, Roy Glover, Donald Gunther, Barbara Hart, Patsy Henry, Janice Jones, Lynne Kotila, Dennis Luoma, Reino Maunu, Stanley Mikkonen, Jon Ochsner, Nancy Olson, Sam Olson, Katherine Oster, Donald Palmer, Lyle Podoll, Russell Podoll, Steven Post, Georgia Reisdorph, Kay Rexinger, Vern Rexinger, Robert Schlenker, Kenneth Schlosser, John Sumption, Patricia Suurmeyer, Linda Watkins, Kathryn Willey, and Margaret Zinter.

Our sophomore year found us minus Russell Eichelberg, Donald Gunther, and Vern Rexinger. Russell transferred to Aberdeen Central, and Vern was injured and discontinued school for the year. Sandra Kuehne joined us from Barnard.

Our enrollment dropped during our junior year to twenty-seven with the loss of Donald Palmer, Patsy Henry, Sandra Kuehne, and Linda Watkins.

In 1965, twenty-eight seniors began their final year at F.H.S. Clyde Catlette joined our senior class but did not enroll the second semester, and Sam Olson transferred to Aberdeen Central. Upon graduation, our class numbered twenty-six.

### Farewell

As the day grows near when we walk forth from these Halls of Frederick High into our life's career, we are struck with a feeling of sadness at saying good-bye to our school. These four years will live with us as cherished memories. We hope we leave this school with pleasant thoughts of us, for we know we have learned much.

## Class Prophecy

One bright spring day in 1986, I, Barbara Hart, decided to visit all of my former classmates, who were scattered all over the world. I first journeyed to good old F.H.S. where, to my surprise, I found Reino assisting Mrs. Rollo in the Home Economics lab. All Frederick graduates have now acquired the art of making Finnish bread. The high school faculty has also acquired one other member of my class. Russ just couldn't let Frederick's basketball fame fall, so now he's coaching the F.H.S. teams himself.

I managed to talk John into deviating from his taxi service to Tacoma Park long enough to take me to Ellendale, where I found Kay working as a practical nurse. From Ellendale I chartered a plane and piloted it to Pierre where I found Katy who is now a minister's wife. Katy was busy keeping the Pierre M. Y. F. in line.

Leaving Pierre, I journeyed to Minneapolis where I encountered Lyle thoroughly enjoying running the Podoll Charm School. While in Minnesota I stopped by to see Nancy at the Mayo Clinic in Rochester. She cheers all of her patients on to good health.

Chicago was my next stop. Upon picking up an issue of the Chicago Tribune, I found Cheryl making headlines as a successful social worker. Boarding a plane for Oklahoma City, I was greeted with another pleasant surprise--Patty was offering coffee, tea, or milk to all boarding passengers. Arriving at my destination, I decided to take in an evening at the Armory. Here I found Stan really swinging out on his trombone. I also located Jon here. Returning from his service duties in Vietnam, Jon was homeward bound so that he could keep the water tower light burning. I found Kenny barking orders at the various companies under him at Ft. Leonard Wood, Missouri.

I arrived in Indianapolis in late afternoon and found Randy working on the race cars at the tracks. I next flew to New York City where I found Georgia extremely busy in her journalism office. Georgia was working on a story covering the next Presidential Election. From New York, I made my way to Washington, D. C. Here I managed to listen to one of Roy's presidential campaign speeches. I had one other visit to make here and that was to see the redecorating job Vickie had done on the White House. The White House never looked better!

I finally reached Cape Kennedy. Unfortunately, I didn't get to see Darrell who was diligently working on the next moon shot.

My next stop was San Francisco. I paid a visit to the Jones' Guidance Center where I found Janice giving advice to the troubled generation. I thought I'd like to try my luck at gambling so my next stop was Los Angeles. I bumped into Dennis while in one of the Casinos. Dennis had recently had a streak of good luck in his gambling. I couldn't leave California without going to Hollywood. While in Hollywood I toured Disneyland and found June assisting Walt in a movie production.

Leaving California, I went next to Hawaii. Here I found Peggy working as the head desk clerk in the new branch of the Y.M.C.A. Departing from Hawaii, I traveled on to Africa. With some difficulty I finally found Kathy, actively teaching the native Africans American ways. Next I found myself in Spain where I was told that Robert was running a permanent wave shop for men.

My next stop was Paris. Here I located Lynne as the top Paris model. Lynne has Paris fashions selling like hot cakes. I still had one stop to make and that was in Turkey. Here I found Steve successfully raising the country's number one product--you guessed it--turkeys.

This concluded my visits to my former classmates and thus I returned to my husband and children in South Dakota.

Homecoming festivities opened Thursday evening with Joey Eissinger acting as M.C. of the Pep Fest. Each class presented a skit with the Seniors receiving the prize for the most entertaining performance. Betty Glarum at the piano and Robbie Glover at the accordion also entertained the large crowd in attendance.

Mr. Pudwill introduced the football players and cheerleaders.

Vicki Eissinger and Russell Podoll were crowned queen and king by Patti Kopetsky, 1964 queen and Kerry Nixon, 1963 king. Gary Mikkonen, 1964 king, who is attending college in California, was unable to be present.

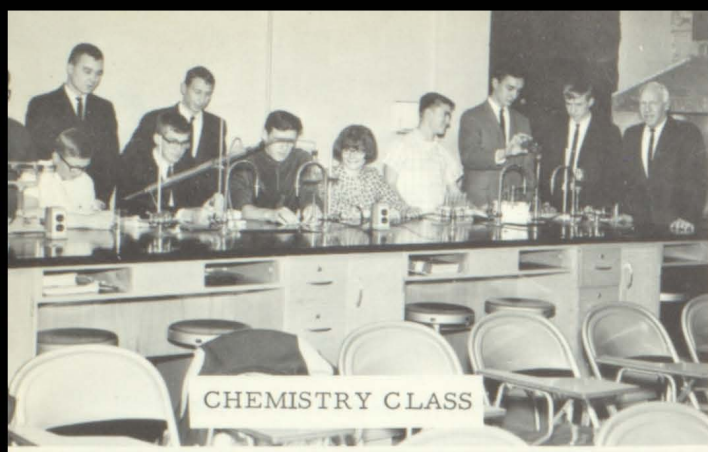

Other candidates were Nancy Olson, Lynne Kotila, Janice Jones, Georgia Reisdorph, Lyle Podoll, Steve Post, Darrell Dehne and Roy Glover.

The Pep Fest was climaxed with a bonfire and snake dance.

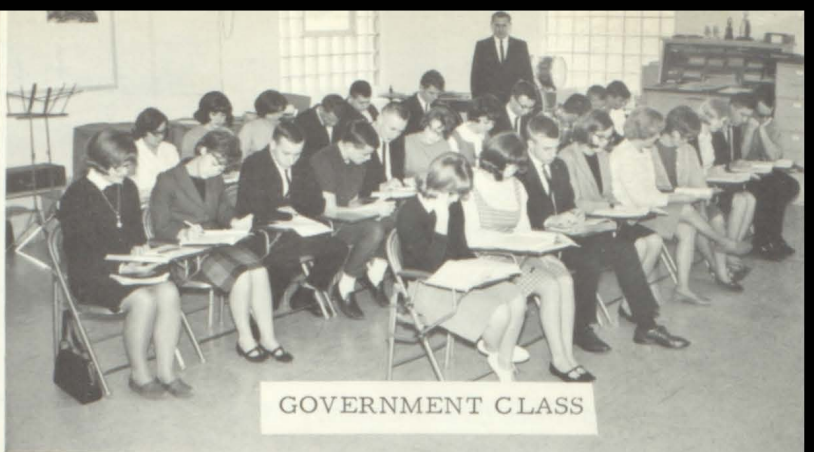

The Parade on Friday was made up of the band, floats, walking groups and cars decorated by local organizations.

The seniors won first with its "Treasure Island" royalty float, the juniors were second with "Ben Hur" and the Freshmen won third with "PT 109". The seventh grade won first in the junior high division, and the first grade won in the grade division.

## Vikings Place Fifth in State

The Frederick basketball team had an outstanding season with a record of 16 wins and 1 loss in the regular season. The Vikings won the Lake Region Tournament and also the Lake Region Conference Championship. The team won the District Tournament in Aberdeen and the Regional Tournament in Webster thus qualifying for the State Tournament at Sioux Falls. The Vikings played Parkston in the second game of the Class "B" Tournament and led at half-time by 10 points. At the end of regulation play, the score was tied and went into 3 overtime periods, going on record as the longest game in State "B" and "A" history. The Vikings went on to win the next two games and win consolation honors and fifth place in the State Tournament. Lee Wilson was picked as a member of the All-Tournament team, scoring 70 points in the tournament and playing outstanding defense. Glover, Podoll, Mikkonen and Golnitz also played excellent ball. Roy, Lee, and Russ were chosen for the All-Conference team.

Individual scoring during the regular season went as follows: Lee Wilson-359, Russ Podoll-356, Darrell Golnitz-240, Roy Glover-168, Stan Mikkonen-162, Al Rempher-96, Steve Post-65, Lyle Podoll-49, John Ochsner-49, and Jim Gustafson-24.

The "B" team also won a LRC trophy and had only one loss during the season, also to Britton. They show great promise for the future years.

In the spring of this year, we presented our annual spring concert and also participated in the music contest in Aberdeen. Our last year's performance at the music contest brought a good rating for the band, a good rating for the clarinet quartet, and an excellent rating for the brass sextet.
