We, the 1967 graduating class of Frederick High School, dedicate our "Viking" to the three coaches--Mr. Nelson, Mr. Pudwill, and Mr. Prunty. Your combined efforts in football, basketball, and track, have brought much fame and recognition to our school. To us, who have had the privilege to play under your guidance, you have always given the zeal to do the best of our ability, both on and off the field. As teachers, your understanding and wisdom have been a benefit to all of us. To each one of you, we say "thank you."

SENIOR CLASS HISTORY

In the fall of 1964, twenty-two freshmen enrolled at Frederick High School. They were the following: Coralie Anderson, Geraldine Bain, Sheryl Breitreutz, Clayton Fischer, Darrell Golnitz, James Gustafson, Bruce Hart, Jesse Jarvi, Richard Kotila, Donald Layton, Gayle Maunu, Deborah McCullough, Judith Michaelis, Vern Rexinger, Mary Sumption, Fred Storm, Maxine Taskerud, Lila Ulrich, Gerald Wandry, Elaine Watkins, Lyle Watkins, and Lee Wilson.

During our sophomore year we lost one classmate, Judith Michaelis, who transferred to Ellendale. Cecelia Baker and Allen Rempher joined our class to raise the enrollment to 23.

In our junior year the enrollment raised to a high of 24. While Lyle Watkins transferred to Ellendale, we gained two new classmates, John Anderson and Terry McKay. Later in the year, Elaine Watkins left our class to enroll at Ellendale.

Mary Sumption did not return in the fall of 1966, and Donald Layton transferred to Aberdeen Central after the first semester, leaving 21 seniors to graduate in May.

### CRYSTAL BALL PREDICTIONS FOR THE CLASS OF 1967 BY GERALDINE BAIN

Because many of Jean Dixon's predictions have been confirmed during the past few years, I think we should see what the crystal ball holds for the Class of 1967. In the crystal ball appears the magical path which the Class of '67 shall travel.

"Cooti" has at last found her real glory at the racetrack. . . . caring for the famous racehorses of the sunny Southwest. She might even give you a few leads on the best horses, but please let her giggle first!

John climbed higher than the San Francisco Bridge. . . . high into the world of comedians. Did you know John finally untangled his puppets?

"Cookie" is busy with her beauty salon in Moorehead. Even more demanding are her duties as a housewife and mother of three children.

Sheri's future was rather clear in the crystal ball. Twenty years haven't changed her spirit and energy. . . . she just applies them to the care of her family.

Clayton is deeply involved in the modern farm techniques. He's a promotor of the irrigation system now employed in South Dakota. He'll surely serve his classmate choice steak out at the "Fischerosa".

Darrell is serving his parish in a moderately populated area in South Dakota. His family life includes the promotion of athletics among his five sons. He strives to "spirit" them up before the game.

Jim attained his goal as a banker. His banking firm in Nevada specializes in loans for the atomic-powered flying cars.

Bruce has entered the dairy business, but he's continually doing government research. . . . he finds his small atomic plant really efficient in serving the massive farm.

Jesse has definitely put his talents to good use. Remember his hidden artistic ability? Now he is a chief drawing engineer for Boeing Aircraft.

Rick has an established position in an electrical plant in California. He's very happy with his work. . . . Rick was always fascinated with electricity.

Gayle has given up her teaching career for the "better things" in life. Of course, she is still an ardent supporter of the sports events. Would you believe it. . . . Gayle drills the Women's Physical Fitness Club!

Debbi has resigned from her airline employment after seeing many parts of the world. She feels a stewardess gains most rewarding experiences.

Terry is a dedicated military officer. I'm sure his classmates would recognize him. . . . after twenty years he still addresses his squads with a familiar "Hi, gang!"

Allen is a technician at the recently established Lunar Laboratory in Rapid City. He finds his work very exciting. . . . UFO's are still in existence.

Vern has a monopoly in the motorboat industry. Most famous among his acquired wealth is his plush resort. For an entertaining week-end, make reservations at Vern's "Ski Along With Me"!

Fred has been making the headlines for several seasons. He is instructing a new line of heavy-weight fighters. . . . unbelievably, his temper and determination instill the winning spirit!

Maxine is an advisor to top "Vista" officials. After many years of loyal service to the under-privileged, she has resigned from active duty to an appointment of recognition. Max found social work rewarding.

Lila has left her job with the airlines to take a domestic role. Besides being a busy homemaker, Lila gives sewing lessons at local extension clubs.

Jerry still harbors his interest in wildlife. As a game warden, Jerry has inside information on the best hunting and fishing.

Lee didn't forget his athletic abilities when he left FHS. He's still thinking about new plays to boost his professional football team. Remember, Lee wanted to be where the "green stuff" was!

Now that I have traced the paths of my twenty classmates, it is time to rest the crystal powers. As for me, I had better begin my journey right now. . . I'm always a little slow at getting started!

#### CLASS WILL

- I, "Cooti" Anderson, will my ability to be everywhere I'm not supposed to be to Barbara Mikkonen.
- I, John Anderson, will my tardy slips to anyone who likes to do make-up work.
- I, Gerry Bain, will my study habits to Donnie Maunu. Don't stay up too late, Don.
- I, "Cookie" Baker, will my height to Lee Podoll and my laugh to Alice Barr.
- I, Sheri Breikreutz, will my Mrs. Miller voice to Joe Eissinger, and my Phyllis Diller laugh to Georgene Voeller.
- I, Clayton Fischer, will my ability to stay out of trouble to Steffy Smith, in hopes that she won't have to write so many handbooks.
- I, Darrell Golnitz, will my late arrivals to Artie Borden, and my skill in sports to Arthur Storm.
- I, Jim Gustafson, will my theme writing ability to Scott Post. May come in handy, Scott.
- I, Bruce Hart, will my letters from girl friends to David Golnitz. Don't forget Britton, Dave.

- I, Terry McKay, will my ability to keep the government and econ. classes from getting too dull to Delores Maunu.
- I, Allen Rempher, will my blonde curls to Brian Witte, but everything else I plan to keep.
- I, Vern Rexinger, will my ability to stay awake in English class to Jimmy Bain. Just one hint, Jim, sit at the back of the classroom.
- I, Fred Storm, will my title as Chief Arm Wrestler to Leonard Sumption in hopes he can find a competitor who is equal to himself.
- I, Maxine Taskerud, will my singing ability to Linda Hart. Come on Linda, sing out, someone has to lead the sopranos when I leave.
- I, Lila Ulrich, will my weekend trips to Ellendale to Rita Willey. By the way Rita, you can have my job at the Nodak if you don't mind all the college guys.
- I, Jerry Wandry, will my honda to Peggy Peterson, hoping she'll tear up the highways the way I did.
- I, Lee Wilson, will my position as star athlete to Lauren Witte. Remember the old saying, "Jump, Jump, like A Kangaro-o-o-o-o!"

## *Vikings Share L.R.C. Football Crown*

The Frederick Viking football squad completed an outstanding season, compiling an 8-1 record and sharing the Lake Region Conference Title with Hecla and Langford.

The Vikings opened the season by journeying to New Effington, coming away with a 59-0 victory. They next defeated Barnard 51-0 to open a 3 game home stand. The only loss of the season was at the hands of the Hecla Rockets by a score of 20-18. The Vikings bounced back to a 73-6 victory over Henry. The team then played Barnard there (in wind and rain) and won 39-0. One of the season's most exciting games was played at Langford when the Vikings came from behind to win 26-19. The Vikings then defeated Kidder 57-19 and Roslyn 53-0 in the homecoming game. In the final game of the season, the Vikings played Bristol, winning 51-20.

Five seniors were picked for post season honors. Heading the list was Lee Wilson, who was unanimously picked to the All-State eight-man team, to the first All-Conference team, and was fourth in the "Athlete of the Year" selection. He was chosen as athlete of the week several times by the Sioux Falls Argus Leader.

Darrell Golnitz and Jim Gustafson received honorable mention in the All-State selections and unanimous choices for the All-Conference team. Clayton Fischer placed on the second All-Conference team, while Al Rempher received honorable mention.

High scorer for the season was Lee Wilson with 175 points, followed by Donnie Layton with 69, Al Rempher with 54, Darrell Golnitz with 45, Joe Eissinger with 33, and Terry Ochsner with 18.

## *Vikings Are Third in State*

The Frederick basketball team had a very successful season with a record of 14 wins and 4 losses. The Vikings faced stiff competition throughout the year. Seven of the teams FHS met during regular play saw action in regional tournaments, while four others were the runners-up in their respective districts.

The season got off to a good start with victories in the first three games. Britton interrupted the Vikings' winning trend by defeating them in an overtime. The Vikings bounced right back to defeat Hecla in an important conference game played in Ellendale. Easy victories were gained over Warner and Northville. When they hit a rugged Ellendale five, the Vikings took a second loss. Frederick returned to win conference games from Kidder and Roslyn. Traveling to challenge the highly rated Eureka and Herried teams, the Vikings suffered their last two losses of the regular season. The Vikings marched through the last six games of their schedule by defeating Langford, Bristol, Leola, Pierpont, Oakes, and Barnard.

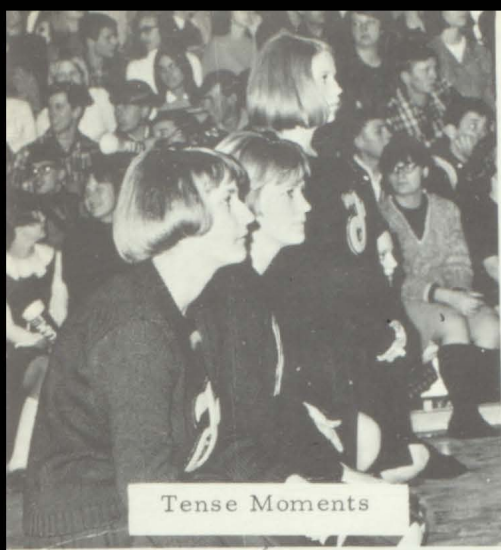

For the second consecutive year, FHS won the championship titles of the Lake Region Tournament, the Lake Region Conference, the District IV Tournament, and the Region I Tournament. The Vikings turned back Warner and Hecla to win the District IV Title and to qualify for Region I play. Frederick downed Veblen and Langford in the Region Tourney to secure a berth in the State "B" Basketball Tournament held in Sioux Falls.

Lee Wilson, Darrell Golnitz, and Joey Eissinger were selected for the All-Tournament Conference team. Top rebounders during the Viking season were Lee Wilson with 319 and Darrell Golnitz with 219. Scoring honors from the regular season were as follows: Lee Wilson-367, Darrell Golnitz-201, Al Rempher-74, Terry Ochsner-72, Glenn Podoll-67, Joey Eissinger-59, Dan Dosch-53, Scott Post-15, Rick Kotila-13, Jim Gustafson-3, Clayton Fischer-3, and Jim Bain-2.

In the State Tournament at Sioux Falls, the Vikings defeated Hayti 49-46 in first round play. Tripp's classy Wildcats downed the Frederick five 79 to 45, but the Vikings came back to whip Clark 66-58 and win third in State "B" competition.

Lee Wilson placed on the All-State team for his outstanding performances in the State "B" Tournament. Darrell Golnitz and Lee Wilson were chosen to play in the Conference All-Star game.

Student managers were Keith Schlenker and Bruce Reisdorph.

## *"A" Band Gives Time*

The band is composed of 42 members under the direction of Roger Kendall. For a large number of the members, this year has been an introduction to senior band.

Last spring the performance at the music contest in Aberdeen brought a "good" rating. In May, 1966, ten members attended a band clinic in Leola. John Cacavas, a composer familiar to high school bands, directed many of his own works. Those who participated in the clinic found it most rewarding and impressive. The spring activities were concluded with a performance on Memorial Day.

When the 1966-67 school year began, the band was found drilling in preparation for the Frederick Homecoming Parade. In late October they also marched in the University of North Dakota-Ellendale Branch Homecoming Parade.

## *And Talent to F.H.S.*

The band added spirit to the home basketball games and also performed at the Lake Region Conference Tournament and the District IV Tourney.

The spring of '67 found members practicing for the annual spring concert and for the music contest in Aberdeen.

Twenty-seven students enrolled in Beginners Band in the fall of '67 which will boost membership in the "A" Band in years to come.

Seniors who participated in band for 6 or 7 years are Maxine Taskerud, Richard Kotila, Geraldine Bain, James Gustafson, and Coralie Anderson.

### HOMECOMING

Homecoming was held October 20 and 21. Homecoming festivities opened Thursday evening with the Pep fest. Joel Eissinger acted as Master of Ceremonies and entertainment was provided by the classes. The Seniors won first place with their country style music; the Juniors were second; and the Sophomores third with their skits.

The football players and cheerleaders were introduced by Coach Ken Pudwill.

The Coronation was the high point of the evening. Gayle Maunu was crowned 1966 Homecoming Queen by Vickie Eissinger, the 1965 Queen. Russell Podoli, 1965 King, had the dual honor of crowning Lee Wilson and Darrell Golnitz. Other candidates were Gerry Bain, Sheryl Breikreutz, Maxine Taskerud, James Gustafson and Allen Rempher. Betty Glarum played background music for the Coronation. Rick Kotila and Donald Layton were honor guards and Coralie Anderson played the drum roll-off.

A bonfire, pep meeting, and snake dance followed the pep fest.

The parade opened festivities on Friday. Prizes were awarded for floats and walking groups.

Frederick downed Roslyn 53-0 in the Homecoming football game. A dance followed with music furnished by Harry Eisele and his Orchestra.
