1974 Viking

Published by

Frederick High School

Frederick, South Dakota

To You,
Mr. Borge,
We Dedicate

Mr. Borge, remember when we were freshmen you said you'd stick it out with us?...and do you remember all the good times we had in your classes?...and the car washes and bake sales?...How about all those visits to the hospital?...and the Jr. Prom?...and the time we got you out of bed to play pool?

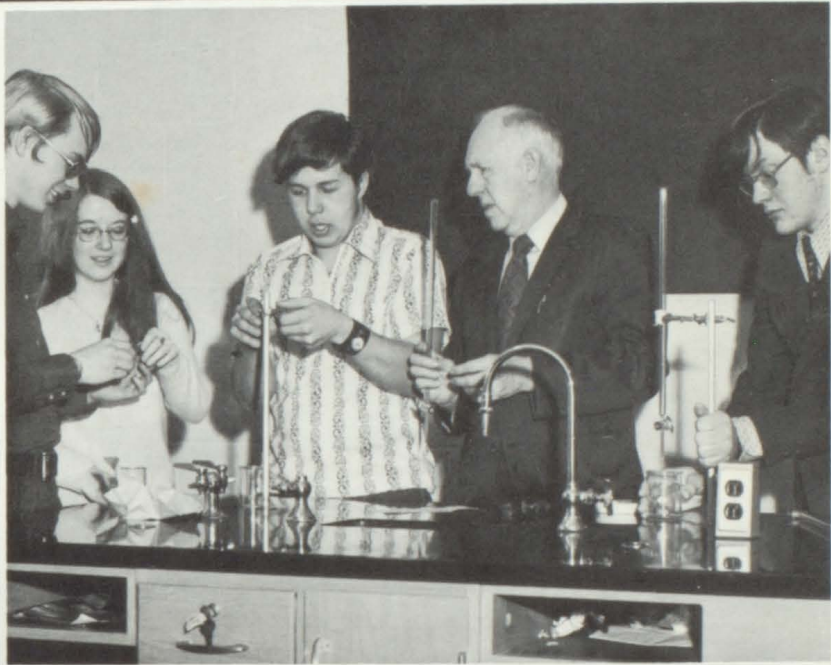

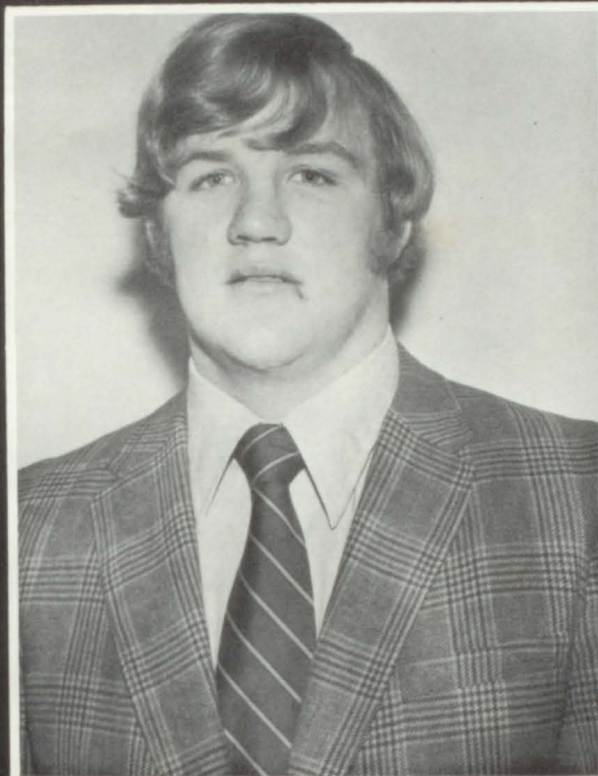

These are just a few of our memories of FHS. You are a part of these, Mr. Borge, and for that we want to say thank you. You have given us wisdom and knowledge, and you have made education not just a learning procedure but a process of fun. You have given us your friendship not only during school time, but whenever we needed it.

To show our appreciation and gratitude, we, the Senior Class, dedicate our 1974 "Viking" to you, Mr. Borge. Best wishes always--

Your Seniors

F. H. S. Welcomes Carmen

Frederick High School was happy to welcome Miss Carmen Pereira who came in January from Brazil. Her hometown is Joao Pessoa which has a population of 300,000. She stayed with the Merlon Kotila family for six months.

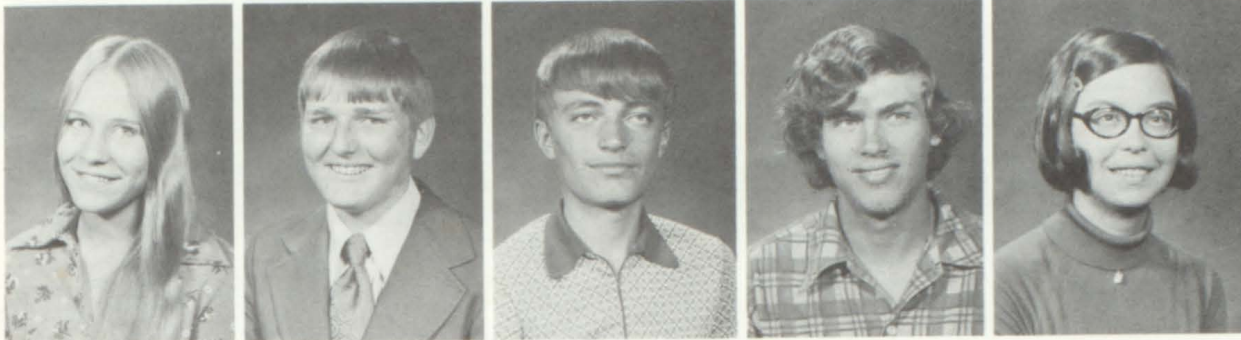

School in Frederick was very different from her own in Brazil. In her high school the total enrollment was 5,000, but her school year was very different from ours. In her school, she was required to take about 11 courses. These classes included Chemistry, Biology, Physics, World History, Portuguese, French or English classes, Geography, Math, and Civics.

Carmen stated that she liked the bigger city better than the smaller towns because there is much more to do for recreation and entertainment.

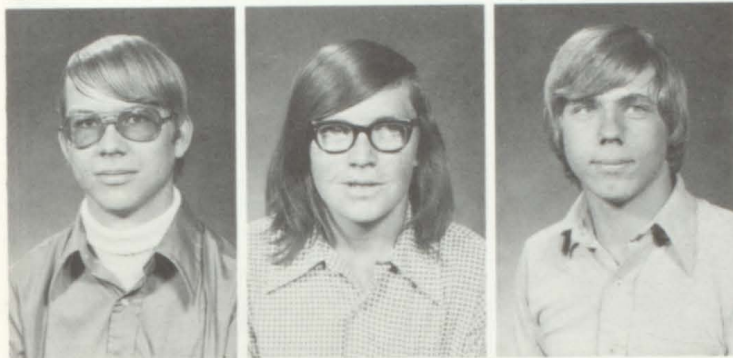

Carmen had a lot to tell us about her country and would like to learn much more about our country.

At the start of the year the Junior class was involved with Homecoming. A Viking ship with the Viking Creed was their choice for a float. The class also wrote a skit for the pep fest.

Most of the Juniors purchased class rings. These were chosen from a wide variety on display and were received in February.

The Juniors were busy throughout the year raising money for the prom in the spring. Some methods used were selling pens and raffling prizes at home games. Also, at home games the Juniors were in charge of the concession stand. Money was also obtained from the Junior play presented in the spring.

The Juniors introduced something new for a prom by holding it at the Aberdeen Holiday Inn for the first time.

The senior class presented "Rest Assured" on Jan. 26, 1974. It was under the direction of Mrs. Rollo.

The story beings, when Mr. Morlock, a grouchy, nervous, fidgety old goat who cared for nothing but money, refused to allow his daughter, Mary, who was twenty, to marry Joe Lanconi because Joe's papa was poor. Things start to get heated when Joe's papa, Luigi, came to plead his son's case. Mr. Morlock declared that if the two married it would be over his dead body and Luigi said if they didn't, it would be over his dead body! The waxes hotten and Luigi, whose heart has always been bad, konks out!

Luigi came back to haunt Mr. Morlock until he allowed the marriage to take place. Mr. Morlock was frantic and his family thought he was crazy because Luigi was only visible to him. Finally, after an accidental overdose of sleeping pills, Mr. Morlock realized it was all a dream and let his daughter marry.

The Junior class presented a comedy play, "Out of This World", on Friday, March 15, under the direction of Mrs. Rollo.

A man's home is his castle, but Otis Kerby, a slightly eccentric bachelor, doesn't quite feel that way about it. His attractive niece, Linda, who lives with him while she attends Parkhurst School for Girls, is too full of new ideas. Most of her brain storms bring trouble in one form or another.

The play opens on Parkhurst's gala day of the year. The boys from Cedar Heights College have been invited, as well as Homer Judson, a newspaper publisher, and his son, Bruce. Bruce and Mr. Judson arrive in town without hotel reservations, so Linda with her usual flair for bright ideas, gives them, not to mention two other boys from Cedar Heights, rooms in her Uncle's home, without the knowledge of her Uncle.

Things become a bit on the complicated side, all of which make a beautiful mass of organized confusion. But through a series of hilarious events, Linda brings everything under control again.

Homecoming, 1973 FHS style, proved to be both exciting and successful. Activities began officially on Monday, Sept. 24, with float building. Thursday evening the pep fest was held and Dave DeMarce acted as Master of Ceremonies while entertainment was provided by the classes and the pep band. Class skits were presented with the seniors "hamming away" with first place. The freshmen received second and the juniors placed third.

Sonja Jarvi and Steve Karjalainen were chosen to reign over the Viking Homecoming weekend. Their first duty was to preside at a victory bonfire.

Exceptional weather added to a fine parade Friday afternoon. The freshman float was judged the best, followed by the sophomores and junior's. The alumni float was chosen the outstanding non-school entry.

In the evening, the Vikings raised their record to 4-0 with an impressive 26-6 victory over Conde.

The dance that followed the football game put the finishing touches on the high school festivities. All events concluded Saturday evening when the Alumni Association sponsored an adult dance.

The yearbook staff this year enjoyed an advantage that was not used before. During the fifth period of the day the members of the office practice class and those with study hall that hour were able to work on the annual. This served two purposes: It saved on energy by cutting down on night meetings and it made the work go faster.

Declam Provides Good Experience

The winners in the senior high local declam contest on October 15 were as follows: Humorous-Catherine Post, Poetry-Vicki Kotila, Dramatic-Colleen Taylor. Each received a good rating in the Regional Contest in Aberdeen. Mrs. Myrtle Lamport of Hecla was judge and critic for the local contest. The senior high declam was under the direction of Mrs. Bernice Rollo.

Fifteen junior high students participated in declam. There were two divisions, poetry and humorous. Joleen Speidel received first place in the poetry division. Lisa Heier and Keith Kendall tied for first in the humorous division. They were under the direction of Mr. Norman Selzle.

Student Librarians did a fine job of keeping the library in order. Konnie Berheim was librarian the first and fifth periods, Dave DeMarce the second, Eugene Pence the third, and Rick Wermersen the fourth. Alice Jung and Virginia Hieb finished out the day taking the sixth and seventh periods.

Mrs. Ina Bruns is coordinator of the three school libraries at Barnard, Frederick and Hecla.

This year's student council consisted of many Government-minded students. The first and biggest challenge of the year was planning and organizing the Homecoming festivities which were held on September 27 and 28. The Sadie Hawkins Dance, held on November 19, was the next event and turned out to be a big hit. All in all, the 1973-1974 student council represented the student body quite successfully.

The Frederick Vikings football team compiled a 7-1 season record and a hand in the Lake Region Championship.

The Vikings' spirited team consisted of an exciting offence led by powerful running and game breaking passing.

Steve Karjalainen led the offensive backs with 947 yards rushing and eleven touchdowns. Senior fullback Mark Van Dover and speedy Wayne Jarvi added power and poise to the balanced offense by rushing for 329 and 422 yards.

Quarterback Mark Ochsner commanded the offense by passing for 1298 yards and fourteen touchdowns. Mark's favorite receiver was right end Dean Marske, who caught 42 passes for 740 yards and scored eleven touchdowns. Steve Karjalainen was second in the passing column by catching 17 passes for 458 yards.

The Vikings rounded out a successful season by outscoring their opponents 248-80.

No team is successful without a strong, healthy defense and Frederick had exactly that. Selective linemen and quick linebackers joined forces to challenge all opposing offensive teams. Leading tacklers for the Vikings were Mark Ochsner, Mark Van Dover, Rick Wermersen, Rick Grieben, and Steve Karjalainen. Dean Marske had six pass interceptions and Mark Van Dover recovered five fumbles to lead those categories.

Much of the Vikings' success was due to a strong sideline of talented substitutes. These gridmen were called to duty on several occasions to fill important positions.

Several aces were given special recognition due to the successful season. Mark Ochsner and Dean Marske were picked as members of the second team All-State football squad. All-Conference picks this year included defense men: Mark Ochsner, Dave DeMarce, Mark Van Dover. Offensive picks were end Dean Marske and running back Steve Karjalainen. Steve also received "Ace of the Week" honors from the Sioux Falls Argus Leader.

“B” Team Wins 13 Games: Grade Team Is Undefeated

The B team went through a battling season winning 13 of their 20 performances. Their positioned zone defense rattled several of their opponents. Leading scorers for the B team were R. Wermersen, R. Grieben, and C. Christianson. Several B team members showed promising potential for next year's varsity squad.

The grade team continued its two year dynasty by winning 9 straight games this season. They had a strong young team with important bench strength. One of the highlights of the year for the youngsters was winning the LRC Championship.

TRACK--where you sweat; where your legs pound on automatically as you try to block out the thought of rest; where your head and heart beat in agony in hopes of a victory; where determination is recognized by all the athletes involved in track and field competition. This is a sport of individual effort and training.

There were 14 tracksters that received letters in the field of track. Captain of the sturdy bunch this spring was four year letterman, Kurt Smith.

The highlight that this year's track squad brought home was the winning of the Lake Region Conference. This victory gave Frederick the Triple Crown in all three sports.

Athletes qualifying for the Viking Track Hall of Fame were:

- R. Wermersen-High Jump 5'9"-School record
- K. Wermersen-Triple Jump 35'-School record
- K. Smith-Shot Put 49'5"
- Discus 160'4" School record.

- D. Fuhrman-440 Relay 47.7
- S. Englehart-440 Relay 47.7

There were two school records broken this season. Discus Ace, Kurt Smith, bettered his record with a toss of 160'4". This throw won him first place at the Sisseton Relays. The other record set was by high jumping star, Rick Wermersen, as he hurled over the bar at a height of 5'9". This jump won Rick first place at the Ipswich invitational. Both these athletes, along with hurdler Dean Marske, qualified in Region Competition to advance them to the State Finals. Kurt Smith placed 4th in the State Meet at Rapid City.

Jr. High Achieves Third Place at Conference

The Frederick Junior High Track Team competed in the Lake Region Conference Meet held at Groton on May 2. Trophies were given to the 9th grade team champions and the 7th and 8th grades combined their points for a team total. Frederick scored 83 points for third behind Conde who was first with 98 points. Frederick had only three 7th graders competing, which was very decisive in the Conde win. The 8th grade boys scored 78 points by themselves and showed real promise for the future. The team was coached by Joe Kramer and Ken Pudwill.

Girls Track: Another Big Winner

The Frederick Girls Track Team completed a successful season by taking two places in the State Track Meet. The 440 relay team placed second in that meet while setting a school record-tying time of 53.3 seconds. Colleen Taylor tied for third in the century dash.

During the season we earned four meet trophies; at Eureka, the Lake Region Conference, at Ipswich and runners up in the Region Meet. Most of the girls will be returning next year, which looks to be another banner year.

Record breaking performances this year were by the 440 relay team (Lynne Rystrom, Tracy Lahr, Julie Marske, Colleen Taylor) of 53.3 in the Region and State Meets, Charlene Hart 15'9" in the long jump and Charlene again by going 4'11 1/2" in the high jump.
