BUILDING FOR THE FUTURE

Have you ever dreamed of having all of the facilities of a newly constructed gymnasium complex? Well, this dream finally became reality to the Elm Valley School District, when the school board and patrons voted to expand the high school building at Frederick by adding a lunchroom-gymnasium complex. Upon the completion of the much needed addition, everyone has enjoyed and will always appreciate using the fine facilities that are available.

The cover shows FHS as it stood before the new gymnasium was built. The top photo on each division page follows the progress made on the new building toward its completion. The picture below and the one on the closing page show the finished gymnasium-lunchroom complex adjoining the high school. The building will be a valuable asset to all generations in the future

ACTIVITIES

Homecoming Theme Features World Of Movies

Mother Nature provided a dreary setting for Homecoming, but even this could not diminish the festive spirit. The theme for 1977 Homecoming was, "The World of Movies." Activities got under way with the coronation-pep fest on Thursday, September 29. Skits were given by each class, and the sophomore class took first place honors with their skit entitled, "A Star is Born." Joyce Ronning, with the help of Keith Kendall, crowned the new 1977 Royalty Carla Engelhart and Kent Reisdorph. Honor guards for the occasion were Barb Karjalainen and Arnie Claeys. Crown bearers were Nicole Quimby and Christopher Sumption. Keith Kendall served as emcee for the evening. The band helped induce school spirit with a snappy rendition of the "Beer Barrel Polka." Following the coronation a bonfire was held behind the school. The cheerleaders led a few cheers; then the more adventurous students participated in a snake dance.

Frederick area organizations participated in the 1977 Homecoming Parade. Many people attended, although a chilling rain dampened the festivities somewhat.

Each class had a float entered in competition. First place was captured by the juniors, the sophomores took second place, and the freshmen placed third.

The football game was held Friday evening. A strong Conde defense blocked the Vikings with a score of 34-6.

They also sponsored a contest for a drawing of a Viking head to be placed in the gym floor. The winning design was submitted by David Hinz. A plaque was purchased and placed in the gym in recognition of his efforts.

Staff Devotes Many Hours To Yearbook

The annual staff worked very hard to meet all deadlines and to make the '78 Viking possible.

Editor-Shirley Berniklau attended the Publications Workshop in Brookings. She was aided by assistant editor-Julie Hixon, and advisor-Mrs. Mary Anne Nelson.

The staff was composed of juniors and seniors. They had the opportunity to work on the yearbook during Office Practice.

Janeen Plummer, Vickie Dennert, Kristi Heis, Jeff Tveit, and Julie Hixon worked very hard getting pictures for the 1978 Yearbook. They took pictures of various school activities.

Drill Team Performs At District

The Sugar and Spice Drill Team was very active even though many practices were cancelled due to the bad weather.

During the year, the girls performed at all home basketball games and at the Boys District 5 Tournament in Aberdeen. They also performed at the homecoming football game and the January PTO meeting.

Mrs. Walz, the drill team's advisor, hosted a supper at her home for all the drill team members on February 3.

Denise Hemen, drill team captain, and Mrs. Walz kept the girls enthusiastic throughout the year.

Pep Club Promotes New Cheers

The Pep Club members met throughout the year to discuss and plan activities. The spirit kept moving at pep fests and home games with the help of new cheers that the cheerleaders learned at a clinic in Aberdeen.

During Homecoming week the student participated in a full schedule of activities. Monday was hat day, Tuesday was clash day, and Wednesday was dress-up day for students and dress-down day for the teachers. Thursday the classes worked on their floats for the parade and Friday was maroon and gold day.

The Pep Club sponsored potluck banquets in honor of students who participated in girls basketball, football, cross country, boys basketball, and track. The parents were also invited and a program was held after the banquet at which time some athletic members received awards for various achievements which occurred during training.

A Father-Daughter Basketball Game was held in November. The daughters pulled thru with their first win of the season by a score of 49 to 47.

Darrell Emery has his doubts as to whether their team will win the game when Candy-Nita and Vickie-Ronda double up to bring success.

"Her Kissin' Cousin" Enjoyed By Audience

"Her Kissin' Cousin" was the title of the Junior Class Play which was held in the new gym on Friday, April 14. It was a three-act comedy revolved around a pleasant summer vacation for three young ladies: Connie Maunu, Lisa Heier, and Cathy Martilla. The vacation turned into a battle when a sugar coated atom bomb (Beth Cantwell) came to visit. Other leading parts were portrayed by Keith Kendall, James Plummer, Arnie Claeys, and Darren Engelhart. The Senior Class presented "Lock, Stock, and Lipstick" on March 17 under the direction of Bernice Rollo, assisted by Brenda E., Les S., Vickie D., and Jeff T. The play opened with Counselor Gordon Warren (Kent R.) engaged in the problems of Pembroke High School. His problems had just begun when a woman counselor was added to the staff. Jane Gardener (Joleen S.,) an enthusiastic, first year counselor, had no place in which to live, so Miss Entwistle (Shirley B.), Principal of Pembroke, made arrangements for her to stay in Warren's office. The situation grew even more tense as other characters added to the confusion, such as Miss Prather (Julie H.), a nagging math teacher, Mr. Plunkett (Ron C.), and Mrs. Maggs (Candy W.). However, with their help, Jane and Warren finally decided to get married.

Various Classes Keep Students Occupied

The changing of classes to different rooms was something new to all the students this year. This was due to the building of the new gymnasium and the moving of the home economics classes from the city auditorium to the school.

Mrs. Carrie Lashly, the new home economics teacher, introduced many different and enjoyable crafts to the students. The classes were engaged in clothing construction and food preparation throughout the year, along with units on nutrition, kitchen equipment, grooming and health, human relationships and house planning.

The mimeograph machine was a new addition to the business department this year. The office practice class learned to cut stencils and run copies. They also worked with calculators, stenocords, secretarial sets, and the ditto machine. The shorthand class worked hard during the year to achieve 100 w.p.m. The freshman students learned good check writing procedures and how to apply general information to good consumer practices in their general business class.

While studying a unit on practical family life, the sociology class took part in a simulated wedding. Each student was required to plan a wedding of his own. During the year the government class traveled to Pierre to attend a session of the State Legislature, and to Aberdeen to observe a session of the magistrate court.

The physical education classes were required to do a prescribed routine in front of the class. A unit on social dancing was new and different to all of the students.

They learned such dances as the bump, bus stop, hustle, two-step, waltz, and the polka. The classes also participated in units in tumbling, floor exercises, basketball, flag football, and track and field.

Students from Algebra I, geometry, Algebra II, and senior math, attended the Northern Math Contest at Northern State College once again this year. Two students from each of these same classes with the highest grade average attended the Lake Region Math and Business Contest at the Aberdeen School of Commerce. The general math class received new math books this year.

The senior English class began the year with a review of grammar skills. Vocabulary and spelling were incorporated throughout the year. The courses taken by Frederick students are: auto mechanics, building trades, advanced agri-business, agri-business, electronics, health care, commercial foods, and machine shop.

American novel was made, including a resume of English literature. The research theme was accomplished for college bound seniors. Freshmen, sophomores, and juniors were enriched in their English skills by studies in the basic grammar skills, vocabulary, and spelling. Along with these basics, the freshmen read literature including "Romeo and Juliet", a Shakespearean play, and some contemporary novels. A Short story unit, writing unit, and speech unit completed this year. The sophomores read some literature of Modern America and worked on a unit in Library Science. The juniors read various pieces of American literature, with an emphasis on modern drama, and finished the year by writing a research paper on careers.

The freshman class continued a series of textbooks that started in the 7th grade with a study of Life, 8th grade-Earth, and then 9th grade-General Science. Various experiments were done by the chemistry class. Physics students worked problems, and also did experiments. In biology the students mainly studied about the animal kingdom. Along with studies from their textbooks and laboratory work, the students discussed current scientific findings. The class was an advantage to those not continuing their education, and also to those preparing for college.

All sophomores were required to take driver's education. Each student had approximately six weeks of instruction from a handbook, and then approximately six hours of driving and observation time.

Government In Action Is Viewed By Seniors

The Senior Class of 1978 participated in many activities throughout the school year. The class attended Career Night in Aberdeen on September 3, where they had the opportunity to learn about the various colleges in the state. Due to bad weather, Mother Nature finally allowed the senior class to journey to Pierre on February 1, to observe the State Legislature in session. When a Government Day in Aberdeen was scheduled on February 22 for the senior class to view its local government in action, the trip had to be postponed again due to the weather. The excursion was then rescheduled for March 7, finally allowing the seniors to tour the Brown County courthouse and jail, and to witness a jury trial. This year some seniors attended the State "B" basketball tournament in Sioux Falls on March 9-11. Eight seniors were part of the Frederick group that flew to Washington D.C. on the "Flight Into History" educational tour held on April 17-18.

The seniors concluded their yearly activities with the Senior Night Out, prom, baccalaureate, and graduation.

Junior Float Captures First Place

The 1977-78 Junior Class worked earnestly to raise money by working in the concession stand at football games and boys' and girls' basketball games. The Juniors made additional money by sponsoring many bake sales during parent-teacher conferences and by a chili supper which was a great success. The highlight of the Junior year was when they captured first place in the home-coming float competition. Their theme was "Put the Spartans in a Nose Dive, and Plunge to Victory." Class advisors were Mrs. Walz and Mrs. Nelson.

ABOVE: The Frederick Vikings, in dark uniforms, display some aggressive defense against the Polo Bears. The game plan proved to be successful as the Vikings defeated the Bears by a score of 22-20.

The 1977 Frederick Viking football team compiled a record of one win and seven losses. The team suffered some heavy losses off the field as well as on. The final active playing list of gridders consisted of only three seniors, after having ten players from the class of 1978 on the team in previous years.

Co-captain Robert Rosebrock was the leader in team defense with 137 tackles. Robert was also selected to the LRC All-Conference defensive team. The other co-captain Todd

Breitkreutz, was the leading scorer. The final senior, Kenn Reisdorph was the leader in the rushing category, grinding out 507 yards in seven games.

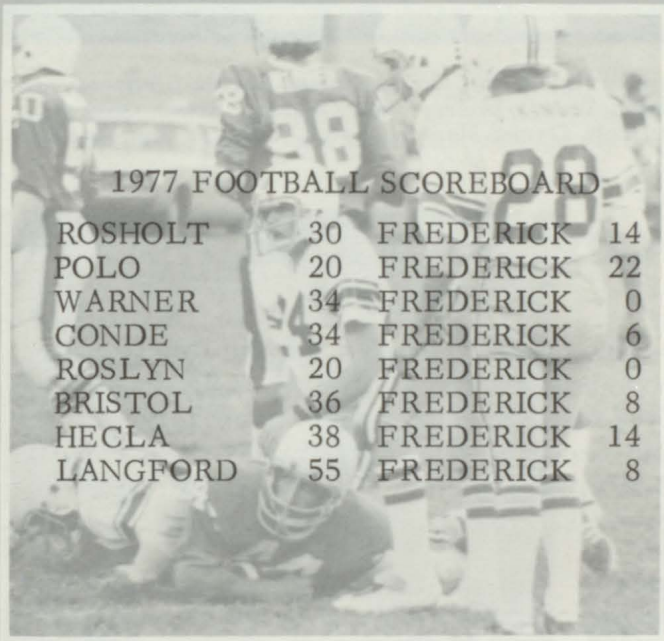

Many underclassmen took responsibility on the field. There were eighteen eighth and ninth grade players on the varsity squad and some showed good promise of upcoming talent. With several years of experience to add to these youngsters, the Vikings should shape up to be a fine ball club in a few years.
