 Awards Night May 9, 1985
 Graduation May 19, 1985

We'll never forget you, Mr. G.!

We the senior class of 1985, dedicate our Viking to you, Mr. Getty, in hopes that you will always remember the times that we had with you during the past six years.

As we progressed through our school years, you did so, too. First, you were our principal; then you became our teacher. Next, you added the responsibility of being our coach. Now, when we have reached the highest level that we can in Elm Valley, you have, too, by becoming the superintendent. You have not only watched us grow, but have grown with us. In our eyes, you are one of us.

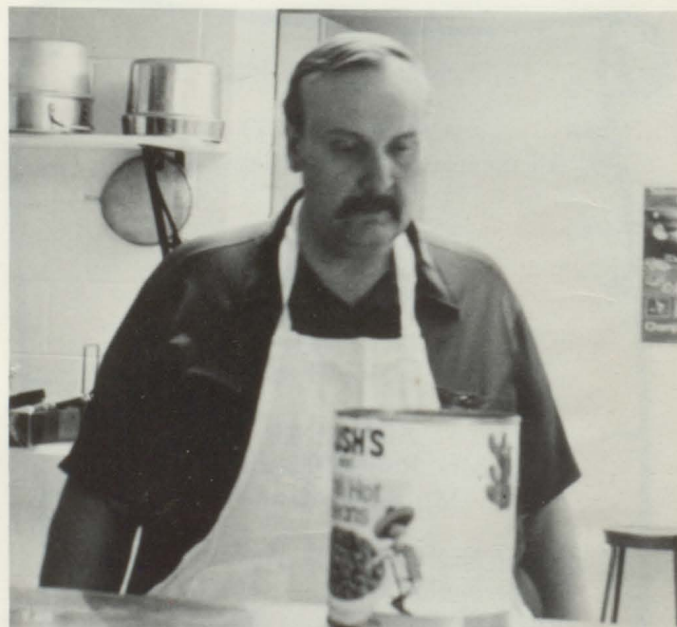

There are many great memories that we have to cherish. When you were our principal, we hoped we would never have to 'visit' you; but when we did, you treated us with fairness and understanding. The first day that you taught our science class, we were all scared stiff. Little did we know what was in store for us. There were numerous whacko tournaments with the boys and so-called "study" halls with the girls where you learned all of our deep, dark secrets (whether you wanted to or not!) We believe that you know each of us better than anyone else. You told us many wild stories and corny jokes. We "donated" more pieces of bubble gum than we can remember. In basketball you taught us that it was the playing, not the winning, that counted, although you always told the Hecla people that we were going to win. Lastly, there were the senior class meetings where we reminisced about our past six years together.

This Viking is our small way of saying "thanks" for all that you have done for us. You taught us about life and

ourselves. We could always depend on you for anything from bragging us up to everyone you knew to being our "psychiatrist." We hope that life brings you happiness, love, and friendship, because you have given us each of these in great amounts. We'll never forget you, Mr. G.!

ABOVE: At one of the many senior class meetings, Mr. Getty listens attentively to a suggestion from one of the students while planning the Senior Night out at Helen's California Kitchen.

ABOVE: Mr. Getty shows his willingness to help FHS students earn some money by putting on his cooking duds and helping prepare chili for the chili supper. UPPER LEFT: Mrs. Kelly Hinds, a teacher at Barnard, and Mr. Getty demonstrate their vocal abilities during a musical lyceum given for the Barnard students. LEFT: Mr. Getty shows off his lighter side by giving the camera a big, "rosey" smile.

Schedule modification highlights year

The students at Frederick High School spent more time in classes this year. The change of hours for the classes was due to the state requirements for college bound students graduating in 1987 and the years after. The change in school hours affected lunch hour. The students had twentyfive minutes to enjoy a hot lunch at the school or to go downtown for a lunch at the Teen Center or Ponderosa. The change in hours also affected extra curricular activities; which were held after school instead of the 2:10 period last year. After the extra curricular activities, students from Barnard and Westport were taken home on the activity bus. The change had different affects on all the students.

The Jack and Jill store changed owners this year. Harold and Bonnie Sanderson sold the store to the community. The community of Frederick raised enough money to keep the store going and Ray and Margaret Barton took over as the managers. The students used the store for light snacks after basketball, football, or track practice or before the basketball and football games.

Trivial Pursuit, a new game, was played in classes during schedule breaks throughout the year. It was both challenging and educational.

The dress code was not uncommon this year. The girls wore flashy, bright colors and cropped pants. Girl's footwear was the new style of flat pumps, which were alot more comfortable to walk in. The boys could be seen in jeans, sport shirts, and sometimes even dressed in suits.

The weekend activities varied from person to person; during the football and basketball season, students attended games to support the team and cheer the Vikings on. Many students attended nearby towns and Northern College games. Movies and parties have always been a favorite weekend activity for the students.

We learn from what we do . . .

The beginning of the seniors' final year was full of many new experiences. The first major event was preparing for Homecoming which included coronation and the parade.

Eight seniors attended Brown County Government Day which involved visiting various county offices.

Election day brought a learning experience to 17 of the seniors. These students worked for either party doing numerous tasks such as making phone calls and canvassing.

The seniors traveled to Pierre to observe legislative sessions. Dana and Susan served as pages in the House and Senate respectively.

These events left the seniors looking forward to their final months of school.

We live by what we learn

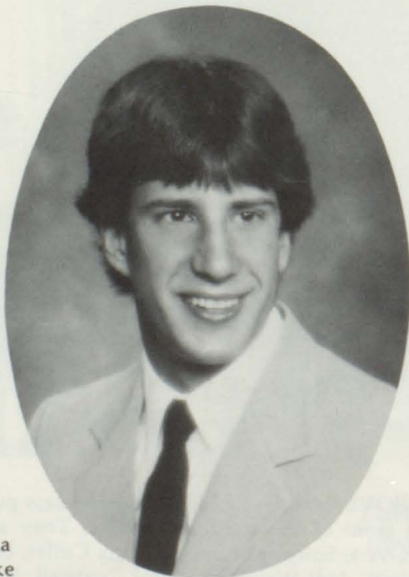

The final weeks of the seniors' schooling were filled with numerous activities. Most of the senior class attended the State 'B' Boys Basketball Tournament in Sioux Falls, March 7-10. April 23 brought about the Junior/Senior Play for a few of the seniors. Senior Night Out was held the next evening at Helen's California Kitchen. Some of the seniors took part in the Junior/Senior Prom on May 4. Mr. Getty hosted a barbeque for the class on May 8 to replace the usual Senior Tea held for the girls. All of the seniors received some sort of recognition at Awards Night on May 9. Finally on May 19, after 13 years of homework, extracurricular activities, and fun with friends, the seniors graduated and said goodbye to all of these things. Graduation marked the end of the seniors' high school careers.

We've only just begun

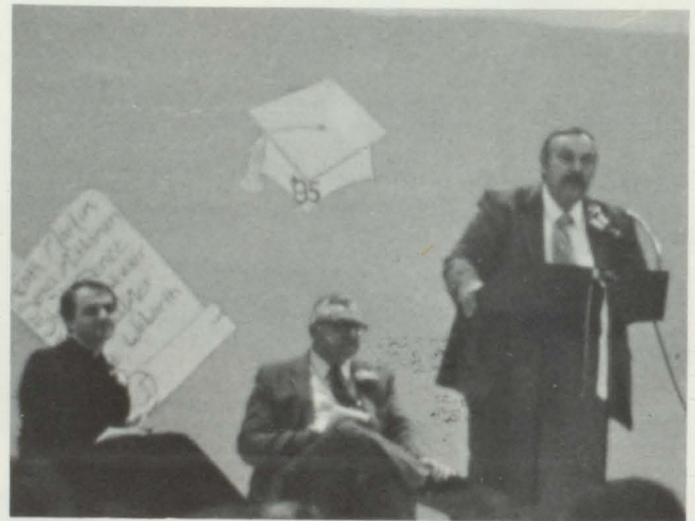

May 19th marked the beginning of new lives for the seniors. Honor guards for the ceremony were Serina Maunu and Pat Mikkonen. Fr. Gary Ternes gave the invocation and the benediction. The large vocal ensemble sang "Take These Wings" and "No Good At Saying Goodbye," which was a tribute to all of the departing seniors' friends. Angela Crawford accompanied the ensemble and played the processional and recessional. Mr. Leighton Getty was the special guest speaker. Karen Gunther awarded the diplomas and Mr. Getty turned the seniors' tassels. Then it was on to the receiving line for goodbyes, hugs, and tears.

ABOVE: Honor guards for Homecoming and Graduation are: Kim Smith, Patrick Mikkonen, and Serina Maunu. These students hold the highest grade point averages in the junior class. LEFT: Members of the large vocal ensemble catch their breath while singing "Take These Wings." Angela Crawford and Carol Cantwell accompany this song with piano and flute respectively. BELOW: Honor students for the senior class are: Carol Cantwell-high honors, Lee Marske and Stan Pence-Highest honors, and Susan Luoma-high honors.

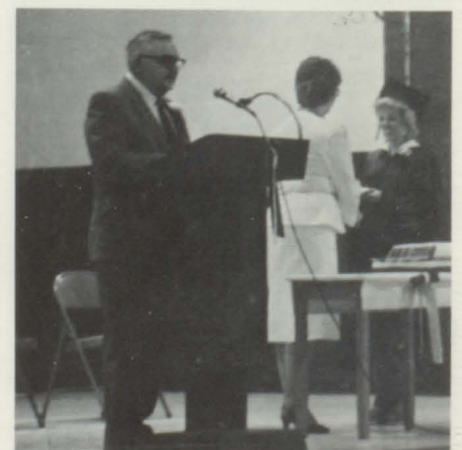

ABOVE: Special guest speaker, Mr. Leighton Getty, quotes the words from "Take These Wings" to encourage the seniors to tackle life head on.

Mark, Terry, and Ken take a break at rehearsal.

Doug and Lee are ready to graduate!

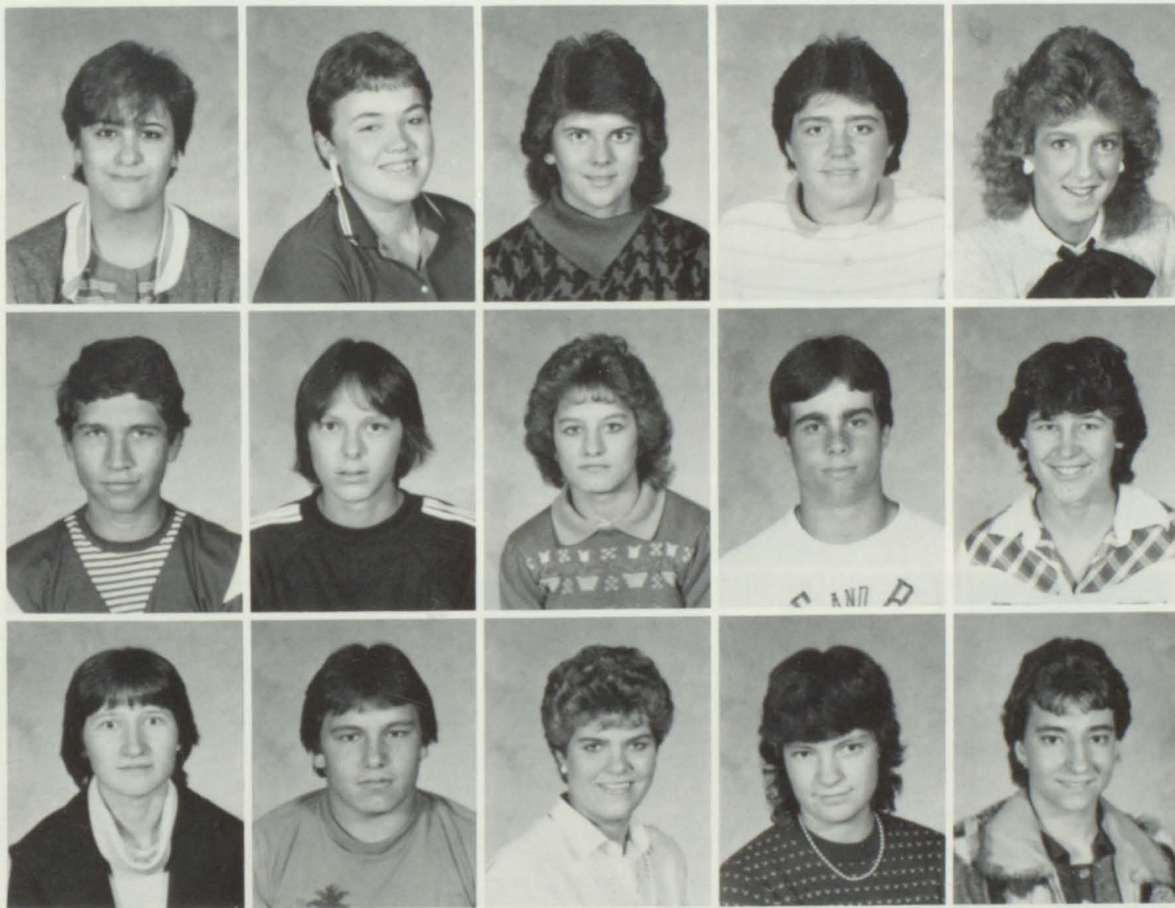

Roxane receives her diploma from Mrs. Gunther.

Juniors are achievers

The junior class started the year off on a good note by winning the Home-Coming float competition for the third year in a row. The rest of the year for the juniors was centered around their concessions. They started in the fall with the football games and continued the year with girls and boys basketball concessions. The juniors also had a chili supper and a raffle. The juniors took the ASVAB test for college and attended career days in Aberdeen to look into colleges for the future. A few of the juniors also worked at the democratic office in Aberdeen on election day. Much of the junior class time was put into preparation for the prom. The juniors finished out the year raising money for their senior year. The class was aided in their year round activities by Mrs. VanDerostyne.

New requirements for sophomores

The sophomores experienced a new pattern of required classes this year. The classes were art, world history, computer, English, biology, driver education, and a math class (either Algebra II or consumer math). The sophomores had artists from NSC and Rapid City come and demonstrate video art and airbrush painting.

The sophomores took field trips during their year to the northern art division, Dakota Prairie Museum, St. Lukes Hospital and Presentation College.

During the Homecoming events the sophomores took first place in the skit competition and third in float competition. The sophomores had the chance to help with the junior-senior prom at the end of the school year. The sophomore class advisors were Mr. Tom Oster and Mrs. Jayne Cutler.

Freshmen set future goals

ABOVE: Mr. Getty, Crystal Cox, and Clem Braa share a laugh at the pig roast the freshman class had before the first home football game with Leola. BELOW: Louise Hoerner, secretary-treasurer, and Leslie Huettl, president, meet to plan decorations for graduation.

New courses were a big part of the freshman class. The students' courses consisted of English I, general science, world geography, Home Economics I, Typing I, and physical education. They had the choice of either Algebra I or consumer math. These courses are part of the new state laws for college-bound students.

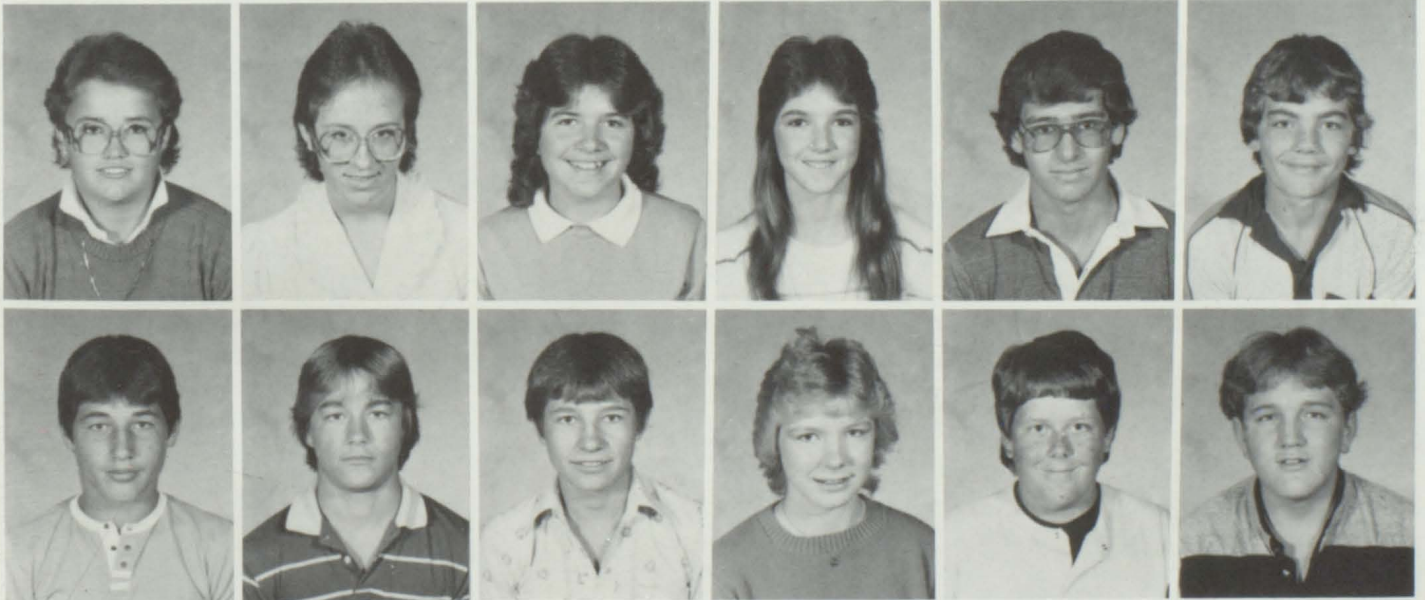

The freshmen had a pig roast at the first home football game for a fund raiser. The money earned will be used for the prom during their junior year and other expenses that come up through other high school years.

During the homecoming events the freshman class had the opportunity to participate by building a float, which received second and writing a skit that also received second in competition. At the end of their year the class worked together to decorate the gymnasium for graduation.

The freshman class president was Avery Olson, who left at semester time. Leslie Huettl filled his position. Louise Hoerner held the position of secretary-treasurer. All class projects were supervised by their advisors Mrs. Sue Maunu and Mr. John Rasmussen.

The freshman girls participated in the annual junior snow queen contest sponsored by the Elm Valley Community Club on November 17, 1984. The class chose Louise Hoerner to represent Frederick in state competition held in Aberdeen at the Johnson Fine Arts Center, January 10, 1985.

When Louise Hoerner was asked what her goals in high school were, she replied, "My goals in high school are to receive my best grades and to excel in sports."

Faculty works together for the year

Mrs. Roberta Eisenbeisz returned for her third year at Frederick. She taught general science, chemistry, physics, and biology class. She was chosen to be the senior class advisor and cheerleading instructor. Roberta and her husband Doug still reside in Aberdeen.

Mr. John Rasmussen came to Frederick this year to teach, world history, American history, geography, and government. He was the assistant football coach and head coach for boys basketball and track. Along with Mrs. Maunu he was the freshman class advisor.

John was originally from Sioux Falls where he attended Lincoln High School. He received his teaching degree from Northern State College and South Dakota State University. John and his wife Mary currently live in Frederick.

Mrs. Jayne Cutler, a new member of the teaching staff, taught the sophomore art class and Home Economics I, II and III. Jayne was the drill team advisor, one of the sophomore class advisors, and the director for the junior-senior class play, which was performed in April.

Jayne was formerly from Pierpont but attended and graduated from Langford High School. She received her teaching degree from South Dakota State University and Northern State College. Jayne and her husband Mark presently live on a ranch.

Along with the new teachers Frederick High School has acquired a new secretary, Mrs. Ruth Ylitalo. She keeps all the various records, types and helps Mr. Jensen set the daily schedule and files many forms for the school. Ruth lives in Frederick with her husband Marvin and daughter Colleen who is a junior at Frederick.

New ideas permeate high school staff

Adding to the Frederick High School 1984-85 teaching staff were many new teachers.

Teaching the psychology-sociology and physical education classes was Mr. Tom Oster. Tom's extra curricular activities included head football coach, assistant basketball and track coach, and the sophomore class advisor with Mrs. Cutler.

After graduating from Ethen High School he attended Northern State College. Tom received his teaching and coaching degree there.

Tom and his wife, Lori, who is a nurse, are presently living in Aberdeen. They are expecting their first child in early summer.

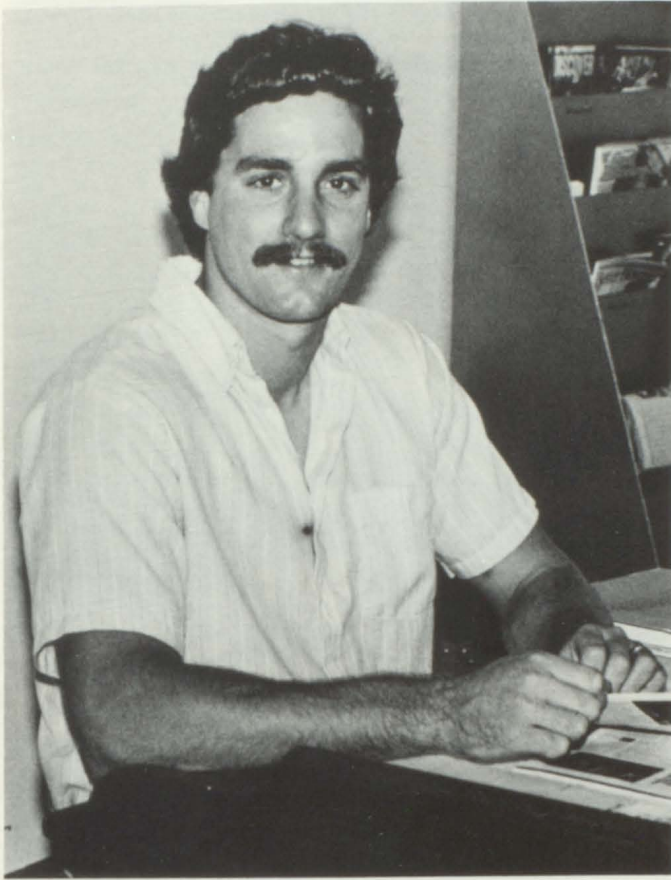

Mr. Adrian Hoines joined the 1984 teaching staff and taught Algebra I, Algebra II, geometry, senior math, computer I, and computer II. Along with his classes he was the junior class advisor with Mrs. VanDeRostyne.

Adrian was only able to stay until semester time. After his leaving, the school board went through a hard time trying to find a replacement. The school board finally decided to have substitutes teach the students the rest of the year. Adrian and his wife, Lynette live outside of Aberdeen and manage a farm.

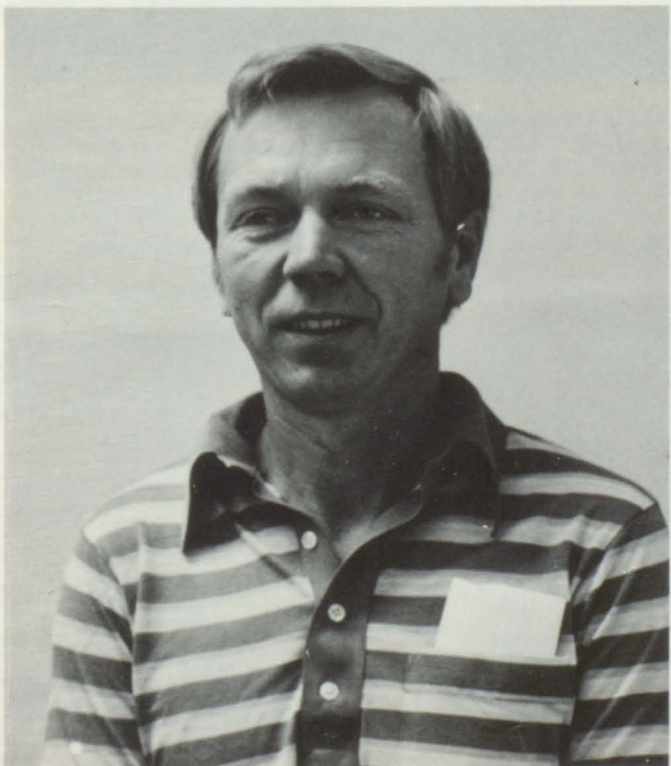

Teaching the freshman, sophomore, junior and senior English classes was Mrs. VanDeRostyne. Linda was chosen to be the junior class advisor along with Mr. Hoines.

Linda was an English I lab director and a tutor at Northern State College.

Linda is originally from Witchita, Kansas where she attended WSU. Linda and her husband Joe are living in Aberdeen.

ABOVE: Sitting in study hall taking time from preparing his psychology-Sociology schedule for the week Mr. Tom Oster is caught off guard reading a magazine. BELOW: The Algebra I and Algebra II, geometry, and computer I and computer II teacher, Mr. Adrian Hoines works to adapt to his new classes that he will be teaching this school year at Frederick High School.

ABOVE: Mrs. Linda VanDeRostyne the new English teacher and librarian is busy planning her schedule of assignments that the students will be doing the following weeks.

Elm Valley receives new leaders and staff

Mrs. Sheri Nixon has been the business manager at Frederick for the past four years. She types, keeps records, pays bills, and attends school board meetings.

Mrs. Sharon Heisinger filled the guidance counselor's activities by aiding the students in career planning, personal counseling, selecting classes, and financial aid. She was at the High School two days each week.

A change in the high school requirements brought Mrs. Myrtle Lamport to the Frederick faculty. She teaches the basics of speaking, reading, and writing German. The two German classes met each afternoon.

Mr. Leighton Getty has been the Barnard Principal for the past ten years; he is now the new superintendent. His office is at Barnard.

The school board members meet every second Monday of the month to discuss problems that arise within the school or the school district. This year was election year and Karen Gunther, Alice Mulner, Robert Smith, and Kenny Ham ran for Karen Gunther's and Jim Geranen's spots. Kenny Ham and Karen Gunther won the election and are the new board members.

The school's psychologist, Terry Comier, made trips to Frederick about once a month. He tested students aside from performing other services for Frederick.

BELOW: Mrs. Sheri Nixon, the business manager for Elm Valley School District, is busy with one of her many duties, which include typing, record keeping, filing papers, making schedules, and writing reports. She records all minutes for the school board meetings.

Faculty put in many years at Frederick

The Frederick High School faculty was full of familiar and new faces this year. One new face was Mr. Doyne Jensen, who performed the principal's position. The familiar faces were Mrs. Sue Maunu, Mrs. Judy Bretsch, and Mr. Roger Kendall.

Mr. Doyne Jensen, a former superintendent at Frederick, returned this year to accept the principal position. Mr. Jensen is also a study hall supervisor. Mr. Jensen is currently living in Frederick with his wife Betty.

Mr. Roger Kendall has been teaching at Frederick for twenty-eight years and returned in 1985 for his twenty-ninth year. Mr. Kendall teaches the extra-curricular activities of band and chorus. He also put in class time teaching drivers education. Mr. Kendall teaches band in Barnard to the junior high students. Mr. Kendall helped advise the senior class through their last year.

Frederick business courses were taught by Mrs. Sue Maunu. She taught shorthand, typing, Bookkeeping I and II and office practice. In typing Mrs. Maunu helped the freshmen learn the ropes and improve their typing skills. Mrs. Maunu was the freshman class advisor and helped advise the yearbook staff.

Mrs. Judy Bretsch, was Frederick's special education teacher again this year. She helped the students to understand their classes and get more out of them. Judy lives with her husband, Miles, and son, Derik, on a farm near Frederick.

ABOVE: Mr. Kendall has time after his morning class, which is either band or chorus, to enjoy a cup of coffee. LEFT: Mrs. Judy Bretsch, the special education teacher, is looking over books from several classes which she uses to help aid students in their studies.

Vo-tech builds skills

Thirteen students from Frederick attended vocational school this year. Classes they participated in included printing, auto mechanics, office occupations, and building trades. The schedule for the vocational students changed from last year's morning attendance to afternoon attendance. They leave at 12:45 and return at 3:40.

Renee Kolb, Carol Cantwell, Leta Ulmer, and Shelly Gage were taught important things in office occupations. Typing, filing, job interviews, and various other things were taught.

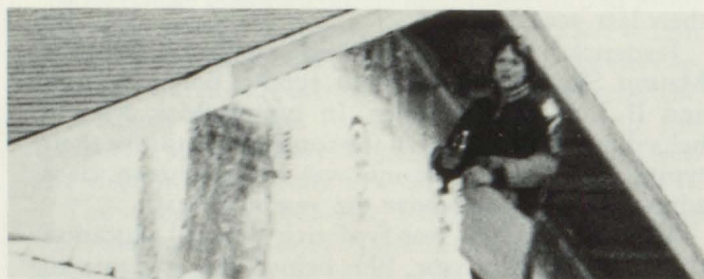

DeeAnn Hinz, Ronda Ham, and Roxane Curtis had the opportunity to learn many various printing procedures which will help them in their career choice.

Mark Hoerner, Kenneth Dinger, Doug Geranen, Jason Hies, and Terry Leonhardt disassembled and reassembled an automobile and used machines which aided them in their work.

Wylie Johnson was the only student in building trades from Frederick. The house he helped build will be sold at the end of the year.

ABOVE: Roxane Curtis, Ronda Ham, and DeeAnn Hinz demonstrate the use of the paper cutter. They used this machine for printing class at the vocational school.

 ROW 1: Mike Bender, Roger Jung, Alvin Gerlach, Rheiff Mikkonen,
 Jason Rydberg, Avery Olson, Chris Catlette, Troy Podoll, Les Huettl,
 and Grant Ellsworth. ROW 2: Head Coach-Mr. Tom Oster, Terry

Leonhardt, Jason Heis, Mark Hoerner, Ken Dinger, Lee Marske, Dve
 Campbell, Clayton Larson, Pat Mikkonen, Larry Huettl, and Assis-
 tant-Coach-Mr. John Rasmussen. Not pictured are statisticians Renee
 Kolb and DeeAnn Hinz.

9-0 and couldn't go

The Frederick Vikings had a very successful season. The Vikings rolled up a 9-0 record, won the Lake Region Conference Championship, but missed the playoffs because opponents on their schedule didn't come through with enough victories to boost Frederick into postseason play. The team had help in their perfect season from a new coach, Tom Oster, who was assisted by John Rasmussen.

Dave Campbell, Lee Marske, Ken Dinger, Mark Hoerner, and Pat Mikkonen made the LRC Team. Chosen for special honors were Dave Campbell by the Argus Leader and Lee Marske by the Aberdeen sportscasters for being all-state football players.

The Viking team finished the season with 2,452 rushing yards. Leading the team was Mark Hoerner with 1,076 yds. on 131 carries, an average of 8.2 yds. a carry. Following was Ken Dinger with 766 yds. on 97 carries, an average of 7.9 yds. a carry. Lee Marske led in passing with 56 completions out of 132 attempts for 853 yds.

Leading the defense in tackles was Pat Mikkonen with 92 tackles at an average of 9.2 tackles a game, followed by Jason Heis with 79 tackles at an average of 8.7 tackles a game.

Statisticians for the season were DeeAnn Hinz and Renee Kolb. Student managers were Mike Bender and Pat Kinslow.

The small, inexperienced junior high team played three games and their record for the year was 0-3. The new junior high football coach, John Rasmussen feels they will show much improvement in upcoming years.

ABOVE: Playing good offense against the Warner Monarchs for the Lake Region Conference title are Lee Marske, Clayton Larson, Rheiff Mikkonen, and Buck Dinger.

Lady vikies suffer another low season

It was a long year for the Frederick Varsity basketball team. Their season record ended up 2-17 and their conference record was 1-7.

Tri-captains were Melissa Bain, Sonya Mikkonen, and DeeAnn Hinz. Chosen for honorable mention to the Lake Region All-Conference Team was DeeAnn Hinz. Leading the Vikings was DeeAnn Hinz with a total of 235 points. Melissa Bain and Jodi Walworth followed with 154 points and 144 points respectively.

The Frederick Junior Varsity had an overall record of 8-9. The high scorer for the young team was Julie Walworth with 181 points. Following were Bernice Hoerner and Ann Luoma with 47 and 46 points.

ABOVE: Getting ready to take a shot is DeeAnn Hinz, while Tammie Mullner and Melissa Bain position themselves for an offensive rebound against the Warner Monarchs.

New coaches bring new ideas

The 1984-85 basketball season was a successful one, with the new ideas from the new coaches. They finished the year with a 7-11 record overall and a 4-4 conference record. The team played well but had a few struggles.

Lee Marske led the Frederick-A-team with 335 points. He was followed by Mark Hoerner with 195 points. The leaders for rebounding were Lee Marske with 256 and Pat Mikkonen with 94. Named to the LRC All-Conference team was Lee Marske.

The new coaches for the team were head-coach John Rasmussen and assistant-coach Tom Oster.

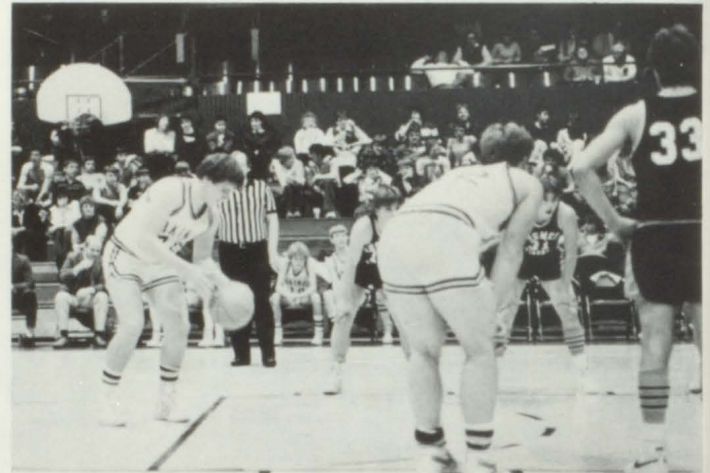

Having suffered from a football injury Buck Dinger

joined the varsity team for the last game and districts.

The 1984-85 junior varsity finished the year with a record of 6-16. Their conference record was 3-5 overall. The young team had some striving periods through the year but played well with their limited team members.

Leading the team with 179 points was Troy Podoll, who was followed closely by Les Huettl with 165 points. Pulling down 146 rebounds was Les Huettl followed by Jason Rydberg with 131 rebounds.

Completing stats and being managers for the year were Renee Kolb, DeeAnn Hinz, Carol Cantwell, and Ronda Ham.

*Conference Games

Cheerleaders 'rock' through the year

The 1984-85 cheerleaders backed their team by 'rockin' with the crowd at every game. Trying to get crowd participation was hard at first, but soon with a little help they had everyone in the gym rockin.

The "A" team cheerleaders started out cheering at football games and continued into basketball games. They practiced during the summer and concluded practicing at the end of the boys basketball season. They also had two pep fests that were held for the spirited fans to encourage the team. The "A" team cheerleaders got new sweaters for their uniforms. The team captain was Sonya Mikkonen.

The "B" team cheerleaders cheered for the junior varsity boys basketball team and also helped cheer at the district tournament. The team captain was Carol Jung.

Junior high boys strive for experience

The 8th grade basketball team finished with a 9-5 record, which included a third place finish in the Elm Valley Invitational Tourney. The majority of the team's scoring came from Mike Rouse, Darin Podoll, Paul Rouse, Travis Cruse, and Brad Ronning. The 8th graders finished their year ending up in the consolation championship of the YMCA Tourney.

The 7th graders finished up 1985 with a 0-9 record. Even though unsuccessful, the team managed to show improvement with each game. Mark Scepaniak, Stephen Catlette, and Joey Campbell were the top scorers for the 7th grade team.

ABOVE: Fighting for control of the ball against Langford is Gary Ellsworth. LEFT: The junior high cheerleaders performing the routine to their school song are Geraldine Klipfel, Robin Smith, Ann Rohwedder, GeorgieAnn Hoerner, and Missy Paul.

Cheerleader's lead fan support

The junior high cheerleading squad of 1985 consisted of five girls, three 8th graders and two 7th graders. Geraldine Klipfel, Missy Paul, and Robin Smith were the 8th grade girls, and GeorgieAnn Hoerner and Ann Rohwedder were the 7th grade girls. These five girls cheered for all the junior high boys basketball games and also showed their support at the varsity boys basketball games. They cheered at the Elm Valley Invitational Tourney and helped the boys bring home a third place win. Their final cheerleading was at the YMCA Tourney which brought the boys a consolation championship. The junior high cheerleaders were advised by Mrs. Kelly Hinds.

New records set by tracksters

The 1985 track team had a very successful season by setting four new school records. Pam Ellwein set a school record in the girls open 3200 meter run. Mark Hoerner, Lee Marske, Rheiff Mikkonen, and Jason Heis set another school record in the boys 400 meter relay. Those two events were new this year on the track schedule. Jason Heis broke the old school record at the conference meet in the pole vault. The school's shot put record was broken by DeeAnn Hinz.

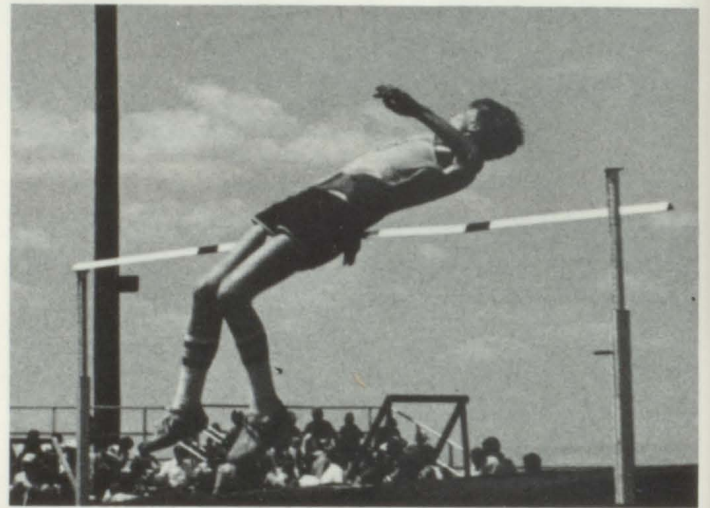

At the conference track meet in Warner the boys took third place and the girls brought home a fifth place position. Warner hosted the region track meet in which the girls won first with a total of 60 points and the boys won second with a total of 69 points.

The region track meet decided who would qualify for the State meet. Eleven tracksters qualified for State and three substitutes were taken. For the boys, Jason Heis went in the triple jump, pole vault, the 400 meter relay, and the 1600 meter relay. Joining Jason on the 400 and the 1600 meter relay teams were Mark Herner, Lee Marske, and Rheiff Mikkonen. The boys 400 meter relay team qualified for finals and placed fifth in the state. Missy Paul, Shelly Gage, Bernice Hoerner, and JoAnn Hoerner went in the 400 and 800 meter relay teams. Running in the medley relay were Missy Paul, Bernice Hoerner, JoAnn Hoerner, Pam Ellwein. Sonya Mikkonen, Heather Mikkonone, Shelly Gage, and Pam Ellwein ran in the 3200 meter relay. None of the girls relay teams made it to finals. Pam Ellwein ran in the girls open 3200 meter run and took fourth place in the state. The prelims were held at Brandon on Friday with the finals following on Saturday at Sioux Falls.

This year Frederick only had three girls, Pam Ellwein, Heather Mikkonen, and Sonya Mikkonen, on the cross country team. At the region cross country meet Pam Ellwein placed second and the team finished with fifth place. Pam Ellwein later went to State and placed sixth overall.

Girl's teamwork really shows

The 1984-85 7th and 8th grade junior high girls basketball teams had a successful season; both finishing with good records. The girls have made tremendous gains in basketball skills, and they worked well as a team according to coach Kelly Hinds.

The 8th grade team had a 8-5 record for the season. Leading the team was Heather Mikkonen with 122 points. She was followed by Missy Paul with 63 points. Heather Mikkonen also received the "Most Valuable Player" award.

The 7th grade team ended with a 7-1 record. The leading scorer for the young team was Sandy Huettl with 46 points. Clarissa Napton received "The Most Improved Player" award.

ABOVE: The 1984-85 Jr. High Girls Basketball team consisted of ROW 1: Heather Mikkonen, Sandy Huettl, GeorgieAnn Hoerner, Clarissa Napton, and Missy Paul. ROW 2: JoLynn Rohwedder, Robin Smith, Geraldine Klipfel, Sandy Jung, Ann Rohwedder, Carrie Breitag, and their coach, Mrs. Kelly Hinds.

Gymnast's shoot for the sky

The Barnard gymnasts, under the direction of Kelly Hinds worked hard during the 1984-85 year perfecting routines on the unevens, balance beam, and floor exercises. Several special performances highlighted the year for the girls. Grades 5-8 gave a performance at the Elm Valley Invitational Tourney; Missy Paul, Robin Smith, and GeorgieAnn Hoerner performed during the half-time of a high school boys basketball game; and grades 3-8 performed for their parents in Barnard. Best all-around gymnasts were Robin Smith 8th grade, Amy Nixon 6th grade, and Lynette Huettl 4th grade.

ABOVE: While Heather Mikkonen shoots for two, her teammates help by using their defense to block out the Leola Pirates.

ACTIVITIES

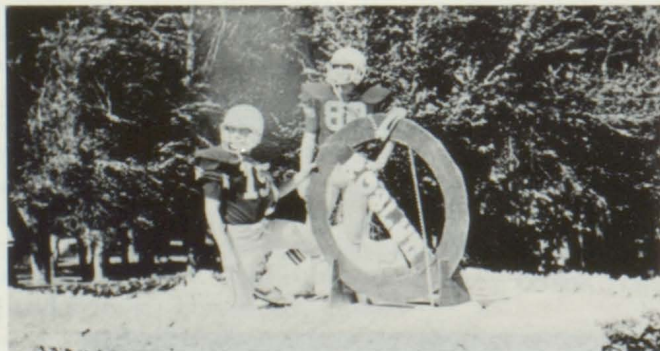

Homecoming activities attract attention

The Homecoming events for this year began on Friday the 14th. Leading off was the auctioning off of the freshmen. These slaves performed a wide variety of tasks for their masters, ranging from singing in the lunchroom to carrying books. On Tuesday we bopped back into the 50's with poodle skirts and leather jackets. Wednesday was dress-up day and everyone looked their best since the coronation was that night. Melissa Bain and David Campbell were crowned Homecoming queen and king. The audience was also entertained by the skit competition, which the sophomores won. The cheerleaders and classes made up skits that went along with the theme of movies. The evening was brought to a close by a pep rally held around a big, blazing bonfire.

The students at FHS were totally punked out on Thursday in anywhere from pink hair to punk glasses. Thursday also began the float building, which ended on Friday, just in time for the parade! The junior class received first place honors on their float for the third year. Roxane Curtis and Leah Rouse served as banner carriers. That evening was the Homecoming football game against Roslyn. The Vikings won the game with a score of 50-6. Taking the floats around the football field finalized another Homecoming week at FHS.

ABOVE: All decked out in 50's dress are the candidates up for Homecoming royalty. Shown from front to back are: ROW 1: Dana Cutler, Jodi Walworth, and Melissa Bain. ROW 2: Sonya Mikkonen, Leta Ulmer, and David Campbell. ROW 3: Lee Marske, Jason Heis, and Mark Hoerner. LEFT: The juniors' 1st place float takes its title from the movie Indiana Jones and the Temple of Doom. BELOW LEFT: Rheiff Mikkonen and Grant Ellsworth ride the sophomores' 3rd place float whose name comes from the movie Ghostbusters. BELOW: Riding the seniors' royalty float are 1984 Homecoming Queen Melissa Bain, King David Campbell, and crownbearers Ellen Groop and Jessie Riggs.

LEFT: Performing their baton routine while marching in the Homecoming parade are Majorette DeeAnn Hinz and Head-Majorette Jodi Walworth.

Elm Valley students 'hop' for heart

This year's jump rope for heart, which was organized by Tim Beck and John Rasmussen, was held March 30, 1985. There was a total of 32 people participating.

The kids jumped from 9:00 a.m. until 12:00 p.m. The teams were made up of kids from both Frederick and Barnard schools. Members of the team alternated their times at jumping. The kids secured pledges from people around the community. A combined sum of \$1,100.00 was raised for research.

Troy Podoll topped all pledge collectors with a total of \$105.00. Michelle Mardian came in second with a total of \$89.00. With a total of \$75.00 came Missy Paul for third. Mr. Beck and Mr. Rasmussen also jumped for a little while, representing the faculty.

Special prizes were awarded by the Heart Association for certain dollar amounts raised. Each participant was also given a new jump rope to keep. The prizes given away this year were athletic socks and six packs of Coke. These were sponsored by the Athletic Department and the Coke Company. The junior class also donated pop for the kids to drink while waiting their turn.

ABOVE: Troy Podoll readies for his turn as Rheiff Mikkonen finishes jumping. BELOW: Becky Sumption, Amy Nixon, and Michelle Rydberg get down to serious jumping for their team.

UPPER LEFT: To satisfy their curiosities, Joey Campbell and Grant Kendall casually look over the table of donated prizes that they intend to win. Mr. Rasmussen guards the 'loot' (just in case!) while looking over the rest of the jumpers. UPPER RIGHT: Louise Hoerner seems to be contemplating a serious problem as Mr. Beck checks out the jumping action taking place on the other side of the gym. Grant Ellsworth and Rheiff Mikkonen help each other get psyched up and ready to jump rope. LEFT: Louise Hoerner takes a breather while Trina Crawford jumps on. It seems the rest of the team has disappeared! RIGHT: (left to right) Geraldine Klipfel, Missy Paul, and Robin Smith show their coordination as they jump to the sway of the rope. The students rotated jumping for three hours.

BELOW: Vikettes member Kim Smith uses a fast sales pitch for the team's "Critter Bells" on Susan Luoma and Sue Maunu at the Fun Fest.

Vikettes dance all the way to state b's

This year FHS's dance team, the Vikettes, showed crowds their performing skills at many events, including State B's with the help of advisor Jayne Cutler, the team changed its image from a pom pom team to a dance group and added more performance. New leotard uniforms were bought with money raised by selling baked goods and Christmas bells. In addition to performing at home basketball games, the Vikettes also attended boys District and Region tournaments in Aberdeen and State B's in Sioux Falls.

The 1984-85 Vikettes team consisted of: seniors-Melissa Bain, Jodi Walworth, Dana Cutler, Renee Kolb, alternate-Roxane Curtis; juniors-JoAnn Hoerner, Kim Smith, Thersia Cox; sophomores-Ann Luoma, Pam Ellwein; freshmen-Trina Crawford, Louise Hoerner, and Tammie Mullner.

Each girl was required to choose a partner and choreograph a routine to the song of their choice. The songs used were: "Wake Me Up" by Melissa Bain and Carol Cantwell, "She Bop" by Kim Smith and Thersia Cox, "Let's Go Crazy" by Dana Cutler and Renee Kolb, "Bruce" by Jodi Walworth and JoAnn Hoerner, "The Heat is On" by Trina Crawford and Louise Hoerner, and "Neutron Dance" by Pam Ellwein and Ann Luoma.

ABOVE: Ann Luoma and Pam Ellwein demonstrate their routine for Mrs. Jayne Cutler's approval. UPPER LEFT: Members of the 1984-85 Vikettes 'strut their stuff' to the song "The Heat is On" at the Frederick-Leola game. Shown are: FRONT: Renee Kolb, Tammie Mullner, Trina Crawford, Jodi Walworth, and Roxane Curtis. BACK: Kim Smith, Ann Luoma, Louise Hoerner, JoAnn Hoerner, and Pam Ellwein. FAR LEFT: Ann Luoma (front) smiles at the home crowd while she performs a routine at a Basketball game. Behind Ann, Tammie Mullner, one of the rookies faces the opponents crowd, but is greeted by the smiles of some FHS cheerleaders. LEFT: The two co-Captains who are also four year members are Dana Cutler and Melissa Bain.

Band has big talent

The FHS band had a small membership of 27, but made up for the lack of size with an abundance of talent. Preparations for pep band and the Homecoming and Gypsy Day Parades began right after school started. New numbers, including "Beat It" and "Jump", were ordered for the pep band. The pep band played at football and basketball games throughout the year. The song played by the marching band for the parades was "Sounds of Sousa."

When the band members weren't practicing pep music, they were working on Christmas selections for the concert, which was held on December 20.

As soon as Christmas vacation was over, some of the musicians chose ensemble or solo pieces for competition in the Region Music Contest in Aberdeen on March 29. These numbers, plus some done by the entire band, were performed at the Spring Concert on

RIGHT: The FHS marching band is shown 'taking a Main' during the 1985 Homecoming parade. BELOW: Members of the brass section, which includes trumpets, baritone horns, trombones, and a bass horn, are: ROW 1: Kim Smith, Pat Mikkonen, Pam Ellwein, and JoLynn Rohwedder. ROW 2: Ann Rohwedder, Robin Smith, Troy Podoll, Jamie Voeller, and Grant Kendall.

April 18.

In the last weeks of school, the band worked on patriotic selections for the Memorial Day Concert held on May 30.

ABOVE: The reed section, made up of clarinets, saxophones, and flutes, includes: ROW 1: Susan Luoma, Heath Martin, Jason Rydberg, Troy Rohwedder, Colleen Ylitalo, and Carol Cantwell. ROW 2: Missy Paul, Julie Walworth, Heather Mikkonen, Ann Luoma, Sheila Curtis, Angie Crawford, and Gerri Klipfel. UPPER RIGHT: The percussion players are: ROW 1: Sonya Mikkonen, Melissa Bain, and Shelly Gage. ROW 2: Cindy Breitag, Tammie Mullner, and Melony Cruse. LEFT: Student directors, Heath Martin and Troy Podoll, take over the conductor's stand when Mr. Kendall is absent. RIGHT: Band president, Melissa Bain and vice-president, Sonya Mikkonen (back) exercise their authority on treasurer, Shelly Gage and secretary, Carol Cantwell (front).

ABOVE: The 26 members of the chorus, directed by Mr. Roger Kendall, are making beautiful music together for the Christmas Concert. BELOW: The four people who represented Frederick at All-State Chorus are: Grant Kendall, Melissa Bain, Kim Smith, and Heath Martin. Not pictured are alternates, Susan Luoma and Angela Crawford.

Musicians face challenges

Due to the smaller size of this year's chorus, members had to 'give it all they could' for performances and the music contest. Members of the chorus are: soprano-Melissa Bain, Carol Cantwell, Leta Ulmer, Jodi Walworth, Shelly Gage, Louise Hoerner, Melissa Paul, Robin Smith, Bonita Maunu, and Tricia Maunu; alto-Susan Luoma, Kim Smith, Serina and Tammy Maunu, Thersia Cox, Colleen Ylitalo, Cindy Breitag, Trina Crawford, and Geraldine Klipfel; tenors-Pat Mikkonen, Grant Kendall, Jason Maunu, and Jamie Voeller; basses-Lee Marske, Dave Campbell, and Heath Martin. Angie Crawford was accompanist.

Having only 26 participants didn't stop FHS's chorus from going public with their music. On December 20, the group sang at the all-school Christmas program. The Region Music Contest brought three FHS vocal ensembles into competition. These and the whole chorus performed at the Spring Concert on April 18. The large vocal ensemble gave its final performance at the commencement exercises on May 19.

The Region Music Contest, held on March 29 in Aberdeen, was experienced by many FHS musicians. There were 11 entries from the band and chorus together this year.

The ratings and number of groups or solos receiving them were: I (superior)-three, II (excellent)-six, III (good)-two.

ABOVE: The largest of the band ensembles is the brass choir. Playing their song, "March Romaine," are: JoLynn Rohwedder, Pamela Ellwein, Troy Podoll, Grant Kendall, Robin Smith, Kim Smith, and Patrick Mikkonen. UPPER LEFT: Opening the band's portion of the Spring Concert is the clarinet quartet, entitled "Andante and Caprice." The participants in this ensemble are: Heath Martin, Susan Luoma, Julie Walworth, and Jason Rydberg. FAR LEFT: Serving as accompanist for the chorus and several vocal and band ensembles is Angela Crawford.

LEFT: Geraldine Klipfel, Sheila Curtis, and Carol Cantwell perform their flute trio, entitled "Shimmering Flutes."

Oral-interp fever grabs five females

Dana Cutler, Leta Ulmer, Tammy Maunu, Serina Maunu, and Tammie Mullner were the only students involved in oral interpretation which was advised by Mrs. Myrtle Lamport. These students chose different literary selections to perform at the declam contests. They spent approximately a month memorizing the pieces and practicing their facial expressions, hand movements, and voice variations.

All five students participated in the Oral Interpretation District Contest held at Britton on October 25, 1984. None of the students advanced to the Region Contest in Groton, but did very well in Britton.

A duet by Tammy and Serina Maunu, "Arsenic and Old Lace," is about two old spinsters who shocked their lawyer nephew by poisoning old men to save their other nephew.

"Annabel Lee," performed by Leta Ulmer, was a poem about a man who lost his love to the sea.

Tammie Mullner's solo entitled "Our Town" was a dramatic love story about two teenagers growing up.

"Birthday of the Infanta," the solo presented by Dana Cutler, tells about a princess who breaks the heart of a dwarf because of the love that he had for her.

ABOVE: Serina and Tammy Maunu practiced their duet, "Arsenic and Old Lace." They rehearse their selection in preparation for the District Oral Interpretation Contest in Britton. As shown, Serina and Tammy work on their hand and body movements and facial expressions. The twins received three 'good' ratings as a result of their diligence.

ABOVE: Taking time out of 4th hour study hall as she has done many times, Leta Ulmer recites her solo poem, entitled "Annabell Lee," to a friend. The extra time spent in preparation affords her two excellent and one superior rating at the Britton Contest.

ABOVE: Tammie Mullner's facial expression shows the intensity of her dramatic selection, "Our Town." In observing such moving entries as Tammie's, contest judges look for the speaker to show the emotion and feeling of the piece being presented. Tammie's showing of this during the contest entitles her to one excellent and two superior ratings.

ABOVE: Dana Cutler goes over her piece, "The Birthday of Infanta." This selection, written in prose, is a fable that might be told to a young child. This requires Dana to develop a style of speaking that the child will understand and that will keep his attention. Shown above is one of Dana's 'fairy tale' looks. Dana's proficiency in fable-telling enables her to receive one excellent and two superior ratings in Britton.

Snow queen theme is olympic spirit

The Frederick Snow Queen Contest was held on the evening of Saturday, November 17. The contest, organized by the Elm Valley Community Club, was led by Mistress of Ceremonies Darlene Mikkonen. Rhonda Myler, the 1984 S.D. Snow Queen, made a guest appearance at the pageant.

Entertainment for the evening included a vocal duet by Lana (Bain) Waltman and Darren Englehart, a dance routine by Dacey Cutler, a tumbling performance by JoAnn Hoerner and Pam Ellwein, a piano selection by Angie Crawford, and a Christmas mime routine by Thersia Cox and Kim Smith. Seven Little Miss Snow Queens also helped liven the event.

Louise Hoerner was chosen as this year's Junior Snow Queen by the freshman class. Other candidates were Crystal Cox, Catrina Crawford, Amy Gerlach, and Tammie Mullner.

Last year's Snow Queen, Lynn Selzle, crowned Sonya Mikkonen as the 1985 Frederick Snow Queen. First runner-up was Melissa Bain, second runner-up, Dana Cutler, and Susan Luoma was chosen as Miss Congeniality by the other candidates. Lynn removed Frosty's mask to find Mel Glarum.

Sonya attended the 39th Annual South Dakota Snow Queen Festival which was held January 10-12.

ABOVE: Sonya Mikkonen (middle) is shown with her court, Dana Cutler (left) 2nd runner-up and Melissa Bain (right) 1st runner-up.

LEFT: Candidates running for Snow Queen are: (left) Jodi Walworth, Leta Ulmer, Sonya Mikkonen, Susan Luoma, 1984 Snow Queen Lynn Selzle, Melissa Bain, Roxane Curtis, Dana Cutler, DeeAnn Hinz, and Renee Kolb. BELOW LEFT: Susan Luoma is Miss Congeniality after being selected by the other eight candidates. CENTER: The freshman class chose Louise Hoerner to represent them at this year's S.D. Junior Snow Queen Festival. BELOW: Frederick's Snow Queen, Sonya Mikkonen, is congratulated by 1984 S.D. Snow Queen, Rhonda Myler.

Murder they wrote?

When houseful of sweet, old ladies fall for a homicide detective, just how far will they go to capture his heart? This was the plot of "Bull in a China Shop," directed by Mrs. Jayne Cutler and held on April 23.

Six nice old ladies-Hildegarde (Dana C.), Amantha (Susan L.), Lucy (Sonya M.), Nettie (Jodi W.), Elizabeth (Ronda H.), Birdie (Kim S.) discovered that a handsome bachelor lived across the street, and that he was none other than Detective O'Finn of Homicide (Dave C.). How did they attract his attention? By homicide, of course! A cup of tea was the murder weapon. When he didn't stop by every day, how did they keep his interest? With another murder, naturally. A young female reporter (Leta U.) began to suspect the real situation and thus became the next target. However, Miss Nettie ended up being the "lucky" one. The clever detective put two and two together with the help of his assistants Mr. Kramer (Pat M.) and Mr. Johnson (Troy R.) and arrested Miss Hildegarde for poisoning the other two ladies.

Other members of the cast and stage crew were: 1st stretcherman-Carol Jung, 2nd stretcherman-JoAnn Hoerner, student director-Heath Martin, spotlight operator-Stan Pence, on-stage prompter-Melissa Bain, stage hands-Clayton Larson, Lee Marske, Larry Huettl, and Colleen Ylitalo.

ABOVE: Members of the cast of "Bull in a China Shop" are: FRONT ROW: (left to right) Jodi (Nettie) Walworth, Ronda (Elizabeth) Ham, Kim (Birdie) Smith, Sonya (Lucy) Mikkonen, Dana (Hildegarde) Cutler, and Susan (Amantha) Luoma. BACK ROW: Patrick (Mr. Kramer) Mikkonen, JoAnn Hoerner-2nd stretcherman, Troy (Mr. Johnson) Rohwedder, Carol Jung-1st stretcherman, David (Detective Dennis O'Finn) Campbell, and Leta Ulmer reporter.

These three pictures show the students who participated in the play this year as they prepare for their upcoming performance, which is sure to bring them all fame and fortune. LEFT: Susan Luoma (center) helps Kim Smith get her "stuff" together for the play while Melissa Bain, Colleen Ylitalo, and Ronda Ham look on. Kim Smith's character is rather "robust" requiring her to add a little here and there. LOWER LEFT: Mrs. Jayne Cutler helps Ronda Ham get her head on straight before her big debut. BELOW: Shown are the contents of the make-up box which is a complete kit for transforming a pretty, young girl into a wrinkled, gray-haired old lady.

UPPER LEFT: In a hairbrained scheme to attract Dave Campbell's attention, six old ladies murder their roommate, Ronda Ham. After this the remaining five women-Susan Luoma, Kim Smith, Sonya Mikkonen, Jodi Walworth, and Dana Cutler-dress Ronda up in nice clothes so that she will look her best when detective Dave comes by the house. ABOVE: Kim Smith (right) finally gets her chance to swoon into the arms of the handsome young Dave Campbell, much to the dismay of a very jealous Susan Luoma (left) and a disgusted Leta Ulmer. LEFT: After overhearing the heated discussion between an infatuated reporter, Leta Ulmer, and a fiercely independent Dave Campbell, Jodi Walworth (left) leaps up out of her rocker to confront the female intruder. From the looks of things, Dana Cutler (right) is quite shocked at Jodi's vocal outburst.

ABOVE: As Dave Campbell discusses the case with Kim Smith and Dana Cutler, Troy Rohwedder takes the fingerprints of Sonya Mikkonen. Dave tells the ladies that he thinks one of the remaining four women is the killer, but he can't figure out who, how, or why. Kim and Dana offer no solutions. UPPER RIGHT: Dave laughs as Leta Ulmer confides her suspicions that the old ladies committed the murders for the sake of Dave's love. A modest Dave believes that there has got to be a different motive. RIGHT: Patrick Mikkonen and Kim curiously watch as Dave is finally forced to arrest Dana for the murders of two of her boarders. Humble Dave still can't figure out the motive.

Seniors: you're our inspiration

The junior/senior prom was held on May 4 at the Frederick gymnasium with "You're the Inspiration" as the theme. The junior class and their advisor, Mrs. Linda VanDeRostyne, worked during study halls and after school decorating the gym. In contrast to other years, a dance was held after the Grand March.

The evening began with Social Hour during which couples could have their pictures taken. Punch and hors d'oeuvres were served. The menu consisted of prime rib, baked potatoes, green beans, hot rolls, cheesecake, and coffee, milk, or punch. Mr. Leighton Getty prepared the prom meal for the juniors this year.

Sophomores were selected to be hosts, hostesses, waiters, and waitresses. The hosts were Troy Podoll and Rheiff Mikkonen and hostesses were Bernice Hoerner and Julie Walworth. Serving as waiters were Chris Cattle, Grant Ellsworth, Alvin Gerlach, Tracy Irion, Grant Kendall, Lee Olson, and Jason Rydberg. The waitresses were Melony Cruse, Sheila Curtis, Ann Luoma, Pam Ellwein, and Leah Rouse.

JoAnn Hoerner, Junior class president, welcomed everyone to the prom. Senior class president, Carol Cantwell, thanked the juniors on behalf of her class. Mr.

BELOW: Ronda Ham works on putting the streamers up before the prom. She is just one member of the junior class that worked hard to compete the decorations in time.

Getty and Mr. Doyne Jensen spoke of memories and wished the senior class good luck for the future.

After the banquet, the class prophecy, written by Serina Maunu and Kim Smith, was read by Pat Mikkonen and Kim Smith. Heath Martin, Melissa Bain, Shelly Gage, and Pat Mikkonen sang the theme song, accompanied by Angela Crawford on piano. The senior class wills were then read by Bernice Hoerner and Rheiff Mikkonen.

The evening was ended by the Grand March and finally the dance with music provided by Powerhouse.

ABOVE: Pictured from left to right are Patrick Mikkonen, Angie Crawford, Shelly Gage, Heath Martin, and Melissa Bain as they prepare themselves for prom night by making final touch-ups on the theme song, "You're the Inspiration." UPPER LEFT: Lars Hansen, Leta Ulmer, and Melissa Bain begin to 'dig in' as the prom program starts rolling. RIGHT: Several couples-Shelly Gage and Ross Ulmer, Ronda Ham and Scott Grebner, Patrick Mikkonen and Jodi Walworth, Susan Luoma and Stan Pence, Scott Tyrrell and DeeAnn Hinz, and JoAnn Hoerner and Mark Gross-enjoy one of the slow dances of the evening. It seems that hooped skirts and tuxedos are the style for prom attire this year. Mark Gross really gets into the spirit with his tails and white top hat.

ABOVE: Clayton Larson and Sonya Mikkonen, Theresa Guthmiller and Lee Marske, and Ronda Ham and Scott Grebner leisurely dance to the theme song "You're the Inspiration" while they glance around the room at other couples enjoying the dance.

ABOVE: Doug Geranen and his date, Elizabeth Wilson from Aberdeen, casually observe the other people who are dancing while they, themselves sway to a mellow tune.

LEFT: (back) Julie Flynn and Jason Heis, Kent Kolb and Carol Cantwell, Dana Cutler and David Campbell, Lars Hansen and Melissa Bain are all smiles as they dance and converse with their dates and with other couples. ABOVE: Prom night serves a double pleasure for Ronda Ham (center) who celebrates her first prom and her 17th birthday. Alvin Gerlach (right) presents Ronda with a special birthday balloon, bought by one of her friends. Ronda's escort, Scott Grebner (left), Kim Smith and her date congratulate Ronda on her special occasion, while Melissa Bain and Leta Ulmer (background) look on. Two of the other waiters, Grant Ellsworth and Chris Catlette (upper left corner) scurry around the dining area, ready to serve the prom-goers their beverages.

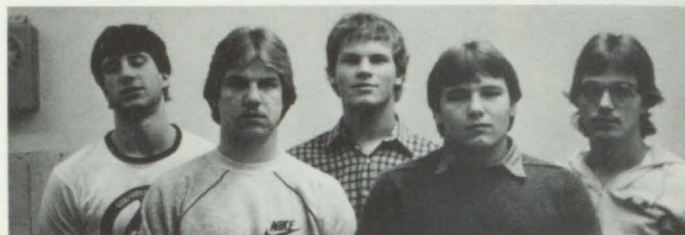

Students 'Go for it' and Succeed

FHS had many students who gained recognition for themselves and the school in their activities. The three top salespeople in the magazine drive were Troy Podall, Ronda Ham, and Tammy Maunu. Eight seniors were chosen to attend Brown County Government Day in Aberdeen. Jason Heis was elected as S.D. VICA Parliamentarian in Huron. Roxane Curtis was the top seller of fruit for the local VICA chapter. Pam Ellwein took 6th place in the State Cross Country Meet. In girls basketball, DeeAnn Hinz was selected for the All-Conference Basketball Team. DeeAnn and Melissa Bain were the leading rebounders for the Viking's team.

Midway through the year, Dana Cutler and Susan Luoma had the honors of serving as House and Senate Pages, respectively. Carol Cantwell was chosen by the faculty as the new DAR representative. Carol was also named the Vocational Student of the Quarter in Aberdeen.

In the final months of school, Melissa Bain was selected as the S.D. Limousine Queen. Stan Pance received a \$600 USD Scholarship. Four students participated in the LRC Business Contest in the areas of typing, and accounting, with Stan Pance placing 3rd in the latter. Seven math students competed in the LRC Math Contest in the areas of Algebra I and II, geometry, and senior math. Lee

Marske took 4th place in the senior math division. Honor students for the senior class were Lee Marske, Stan Pence, Carol Cantwell, and Susan Luoma. Patrick Mikkonen and Angela Crawford received the Music Lyre Award for their contributions to the music department. Lee Marske was given the Presidential Academic Fitness Award for excelling in academics and extracurricular activities. Finally, 1 senior, 3 juniors, and 4 sophomores maintained perfect school attendance.

ABOVE: These boys are 5 of FHS's top male athletes. The student and his achievements are: (Front) Mark Hoerner-football Athlete of the Week, All-Conference Football Team, most yards gained in football, most assists in basketball; Patrick Mikkonen-All-Conference Football Team, most tackles in football. (Back) Lee Marske-football Athlete of the Week, S.D. Sportswriters' Association Class 9A All-State Football Team, All-Conference Football Team, most valuable player in football, All-Conference Basketball team, most rebounds and points in basketball; Dave Campbell-Sioux Falls Argus Leader All-State Football Team, All-Conference Football Team; Ken Dinger-football Athlete of the Week, All-Conference Football Team.

LEFT: The Frederick Legion Post members present each football player with a trophy to recognize the team's outstanding record of 9-0 and the Lake Region Conference Championship title which they received this year. LOWER LEFT: The 1985 Boys' and Girls' Staters are: Patrick Mikkonen, Serina Maunu, and Clayton Larson. The Boys' Staters are chosen by the local American Legion and the Girls' Stater is selected by the local American Legion Auxiliary. BELOW: Mr. Roger Kendall presents senior band members Melissa Bain, Carol Cantwell, Susan Luoma and Sonya Mikkonen with their senior band rings.

UPPER LEFT: Eighth graders receiving the Presidential Academic Fitness Awards are: (sitting) Heather Mikkonen, Michelle Mardian, and Melissa Paul. (standing) Travis Cruse, JoLynn Rohwedder, and Robin Smith. Requirements for the award are a B+ or above average in grade 4-8 and a high ranking on a national achievement test. ABOVE: Advisor Mrs. Sue Maunu presents members of the annual staff with participation pins. They are: Renee Kolb, Carol Cantwell, Ronda Ham, Cindy Breitag, Kim Smith, Thersia Cox, Jodi Walworth, JoAnn Hoerner, Susan Luoma, and DeeAnn Hinz. LEFT: Mrs. Eisenbeisz presents Sonya Mikkonen with the Outstanding Cheerleader Award while the other cheerleaders look on.

UPPER LEFT: Frederick Legion Post Commander, Jack Cantwell, awards Lee Marske and Dana Cutler with the American Legion School Awards, which are based on leadership, duty, and other ideals set by the Legion. UPPER RIGHT: FHS Alumni Association President, Jack Smith, presents Lee Marske, Susan Luoma, and Sonya Mikkonen each with a \$400 scholarship to put towards the schooling of their choice. LEFT: Heath Martin and Troy Rohwedder are recognized for their work as the "VCR Crew". Heath and Troy set up the VCR equipment for all of the basketball games and taped each on so it could be reviewed later by the teams and coaches. RIGHT: Jason Heis displays the Most Valuable Athlete plaque which he was given at the LRC track meet in Warner on April 29.

Council looks for change

The student council's "no-doubt"- wild ideas created an all-school activity day. The council members consisted of: David Campbell-president, Dana Cutler-vice-president, Troy Podoll-secretary-treasurer, Shelly Gage, Clayton Larson, Sheila Curtis, and Tammie Mullner.

The council set the scene for Homecoming by choosing "Movies" as the theme. They also chose several odd events that were to happen during the festive week. The week's agenda was: Monday-Slave Day and Dress-Down Day, Tuesday-Fifties Day, Wednesday-Dress-up Day, Thursday-Punk Rock Day, Friday-Hat & Glasses Day and Maroon & Gold Day.

Another decision facing the council was the task of deciding what to show for the Christmas movie. After several meetings between members and Mr. Jensen, "The Shakiest Gun in the West" was the final decision.

This year the student council added a new event to the agenda. Members organized an activity day, which enabled the faculty and students to get together. Another goal of the council was to instill some school spirit in the students. The day included a basketball game and eating contests between the faculty and students.

ABOVE: The seven members of the student council are: ROW 1: (kneeling) Sheila Curtis-sophomore, David Campbell-senior, Tammie Mullner-freshman. ROW 2: (left to right) Dana Cutler-senior, Clayton Larson-junior, Shelly Gage-junior, and Troy Podoll-sophomore.

New techniques learned by staff

This year's annual staff is composed of: Mrs. Sue Maunu-advisor, Sonya Mikkonen-photographer/co-editor, Renee Kolb-co-editor, Carol Cantwell-asst. editor, DeeAnn Hinz, Jodi Walworth, Susan Luoma, Kim Smith, JoAnn Hoerner, Carol Jung, Peggy Wells, Thersia Cox, Cindy Breitag, Tammy Maunu, and Ronda Ham.

Connie Groop and Cootie Maunu invited the annual staff to the Brown County News office. The staff members viewed the operation of the paper and learned how to develop pictures. This enabled them to develop the pictures quicker and at less cost than before. Mrs. Groop also helped develop pictures when none of the girls had time to.

The annual staff worked hard at many projects to raise money this year. For a new twist they took on the task of selling Community Calendars. This was formerly done by the Girl Scouts. Magazine sales, bake sales, ads, and donations also provided money for the annual.

Because of the decrease in the number of high school students, the number of pages in the annual was cut. Most of the staff this year was made up of first-year people who learned the ropes. These new members learned to use effective writing and picture arrangement and placement.

ABOVE: Members of this year's annual staff met once a week to work as a group on their pages. Carol Jung (foreground) concentrates on writing copy. Carol Cantwell, Kim Smith, and Thersia Cox (center) look over pictures that might be used for their pages. In the background, Renee Kolb, DeeAnn Hinz, and Jodi Walworth (sitting) discuss some planning problems with advisor Mrs. Maunu (standing), while Corey Maunu observes.

Barnard students enjoy new playground equipment that was purchased with the Campbells soup labels.

BARNARD

Scholars terminate their Barnard days

The eighth graders have learned to identify minerals and classify them into groups as physical or chemical properties in earth science class.

In U.S. history, they studied the Revolutionary War, the Treaty of Paris, and the development of the United States. They watched a film called, "A People of War," that introduced the students to the chapters.

To improve their reading skills the students read novels in English class.

In math: geometry, formulas, and the use of variables, mathematical equations, and inequalities were studied. They were introduced to checking and savings accounts.

The eighth grade had fun with gymnastics in physical education along with other physical fitness practices.

They went on a field trip to get information for their term papers and they went bowling to learn the process of scoring. The students held a bake sale during conferences to earn money for high school activities.

ABOVE: Eighth graders, Pat Kinslow, Mike Rouse, Mike Strand, (7th grader-Joey Campbell), and Paul Rouse show the photographer the rock star hand symbol "Rock Forever." The symbol is used by the singing group "Motley Crue."

Seventh grade offered productive knowledge

The Seventh grade class, under the guidance of Kelly Hinds, had a busy but productive year as they became involved in junior high class rotation and activities.

In geography, the seventh grade students studied climate, the rotation and revolution of the earth, weather, and the hydrologic cycle, as well as learning about the earth's different regions.

In science, the class learned how to classify plants and animals. They studied the different life forms of the protozoa, plant, and animal kingdoms, which built up to a more detailed study of the human body systems.

Each month in English they did book reports and different spelling units. The class learned about the parts of speech, parts of the sentence, and the types of sentences. The class also did some diagramming.

In math, the basics of addition, subtraction, multiplication, and division of whole numbers were reviewed. From there they began to develop their understanding of fractions, decimals, and percents. They were taught about sales, discounts, taxes, and interest rates.

The seventh graders learned gymnastics along with physical fitness in physical education. By taking part in team games, they had fun along with learning sportsmanship.

They went on a field trip to Aberdeen in May with the eighth grade class.

Student teacher with artist highlight year

The fifth grade students, under the direction of student teacher, Miss Kim Berreth, studied special units in puppetry, star observations, reading, and language arts. Miss Berreth was with the class the second nine weeks.

A study of the United States included discussions and facts about climate, geographic locations, and state capitals. Math consisted of reviewing operations of whole numbers and fractions with division receiving the most attention. Students used writing paragraphs and reports as a way of expressing happenings in their daily lives and the surroundings. Miss Ann Lanham taught 5th grade.

The sixth grade students encountered working with the visiting artist, Robert Kusserow. They were shown different techniques of drawing.

Writing outlines and reports were the main activity for English. Math stressed use of the four operations of decimals. Mr. Don Kay instructed the sixth grade.

The 5th and 6th graders used tree and flower props, narration, and music to perform the "Spirit of Christmas".

Trois-quatre is french

The third grade, led by Mrs. DesCamps, learned about the different types of plants, rocks, and minerals. They also studied about good nutrition. The students continued their study of Vo-Wac, spelling, correct grammar and punctuation, and learned cursive writing. Math, taught by Mrs. Guidice, was highlighted by learning the multiplication tables.

In art students viewed a film, "Treasures of Tutankhamun", from the National Gallery of Art in Washington D.C.

The fourth grade, under the direction of Mrs. Guidice, improved multiplication skills by learning to divide. In social studies and science they gave written and oral reports. This was a way of using English skills. They edited programs on the computers.

Fourth graders went on a field trip to the museum in Aberdeen. They spent the afternoon doing things such as candle making, weaving, and churning butter.

The French language was a topic of study for the third and fourth grades. They watched a program called "Madame, Merci et Mous", an introduction to French. They were taught many different words and their meanings, as well as learned about a different culture.

Primary use projects

The first graders, with the help of Mrs. Fonder and their mothers, sold popcorn to earn money for preserving the Statue of Liberty.

They studied special units including, "Seasons of the Year," "All About Me," and "Colors and You."

In math, the students added and subtracted and worked some problem solving.

The first grade student teacher, Pam Weidell, worked with the first grade students and Mrs. Fonder for nine weeks.

The second grade, led by Mrs. Ullrich, studied special units about bus and traffic safety, poison control, and the seasons. They reviewed VOWAC skills and completed a booklet in social studies.

Lori Pahl, the student teacher for the second grade, helped Mrs. Ullrich with the students for nine weeks.

The first and second grades presented a Nativity scene and sang songs for the Christmas program.

The children used their recess time for playing games and using the new playground equipment purchased by the Aid Association for Lutherans.

LEFT: Joyce Durick joined the Barnard staff this year as the Chapter I Math instructor. She helped individual students improve their weak math areas. BELOW LEFT: Monica Dix continues to help the students in grades kindergarten through eighth, improve their reading disabilities. BOTTOM LEFT: Portia Johnson, special education instructor, guides Dawn Pehl with one of her subjects. Each of Mrs. Johnson's students is allowed to spend a certain amount of time with her each week.

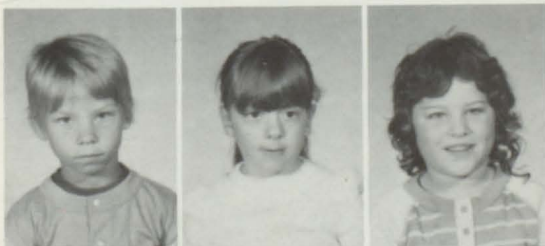

Extra help is offered

Barnard's special education department was used not only to meet the needs of individual students but entire classes. Individual work gave children a chance to correct educational weaknesses. It also provided more time for the teachers to devote to the regular class. The Brigance inventory test was given to gauge the basic skill level of some of the students. Portia Johnson, one of the special ed. teachers, helped children with learning difficulties overcome or lower the intensity of their problem. She also worked with them to polish up math skills. The other special education teacher was Mrs. Monica Dix, who worked with all students, kindergarten through eighth grade, to improve their reading comprehension in all subjects. Joyce Durick, the Chapter I Math instructor, helped students use the correct problem solving techniques. She met with students several times a week.

Beginner's are small energetic group

Starting school brought some new experiences for the kindergarten class of Barnard. Eating together in the cafeteria and playing with each other in the school yard helped them get to know each other. The children used traditional music, art, stories, and food to help them understand the holidays better. They were also part of the grade school's Christmas program. Cara Dennert, their student teacher until after December, helped to introduce them to the basic colors, numbers, and the alphabet. With the D'Nealian handwriting method they learned to print which prepares them for cursive writing in future grades. A few weeks before Easter, the Home Ec. II and III classes visited them. They taught them some new songs and told them a story in honor of the spring season. The children planted seeds in easter eggs. They were given an opportunity to learn cooperation, respect for their peers and their teachers, and responsibility (from duties performed).

Teachers guide students

This year Shirley Heis taught the kindergarten the basic fundamentals to prepare them for the later years. Renee Fonder took up with the 1st grade where Mrs. Heis had left off the year before. Sandra Ullrich taught the 2nd grade some new subjects. Rose DesCamps taught the 3rd grade and was also in charge of the Talent Pool. Laverne Guidice had the 4th grade class and 3rd grade math. Ann Lanham was the home room teacher and taught English and math for the 5th and 6th grades. Donnelly Kay was 6th grade home room teacher and also was the science and history teacher for the 5th and 6th. The 7th grade home room teacher was Kelly Hinds, who specialized in math, English, and computer. Tumbling team advisor and coach for junior high girl's basketball were also added to her duties. Tim Beck was the 8th grade advisor and was the teacher for the 7th and 8th grades in science and history. He coached high school girl's basketball and junior high boy's basketball. Sharon Bain was the librarian and helped with the 3rd grade.

Tim Beck

Staff workers valued

The Frederick and Barnard cooks, under supervision of Lorraine Krogman, worked hard to give the Elm Valley students variety and nutrition in their noon meals. Aside from cooking regular meals, during the school year, they celebrated holidays with special meals, such as a turkey dinner at Thanksgiving and Christmas and ham at Easter.

The custodians also served our schools well with their conscientious work. They did general cleaning throughout the week and did a more thorough job on the weekends.

This year's bus drivers were involved in many things. Along with bringing the children to and from school every day, they drove children to outings, contests, and sports activities sponsored by the school district. Clem Braa drove the vocational students to Aberdeen and back to school every day. He also drove the after school activity bus which brought students participating in after school sport activities to Westport and Barnard. Ted Derry serviced the buses as the school's mechanic.

Barnard school keeps busy with activities

Barnard students were involved in various activities throughout the year. One of these was the annual Christmas program that was held on the 20th of December. The grades kindergarten through fourth followed the theme of "Windows of Christmas". Grades fifth and sixth told the tale of the Spirit of Christmas. The fifth and sixth grades designed their own costumes, memorized lines, and practiced songs. Grades seventh and eighth chose the theme of "Carols of Christmas." The Barnard students Christmas program was on the same night as the high school students.

A Junior High Music Festival was held in Aberdeen on the 27th of October. Robin Smith played the baritone horn, Melissa Paul the clarinet, Gerri Klipfel the flute, and Heather Mikkonen, alto sax. The high school music contest was also added to the list of activities. The chorus and band practiced for the music contest under the direction of Mr. Kendall. They worked for many weeks to become familiar with the music that they would be singing and playing. The contest was held at the Johnsons Fine Art Center on March 29th.

Soup labels were again collected. Several were received from people in Colorado and Arizona, thanks to the Brown County Newspaper.

The Barnard students participated for the first time in the homecoming parade. They chose movie titles as their themes. The themes they chose were: 1st-Muppets Take Manhattan, 2nd-Ghostbusters, 3rd-Karate Kid, 4th-Karate Kid, 5th-Gremlins, 6th-Gremlins, 7th-Ghostbusters, and 8th-Ghostbusters.

Trips impress pupils

The Barnard School was kept busy with the many activities that each class had. The Kindergarteners went to the Community Center with the third and fourth graders to sing, dance, and play musical instruments for the senior citizens of the town.

During the year the first graders went to Darin Dosch's farm to see his farm and all the different animals on it. The second graders got to taste different foods as they studied Hawaii. Different children in the class brought coconuts, pineapples, and some other fruits and nuts for the class to taste.

The last day of school was an extra special treat for the fourth, fifth, and sixth graders. They had a softball tournament. They combined all the children in those grades and made three teams. The winner of the tournament received a trophy. Mr. Kay, the sixth grade teacher, was in charge of this activity.

The sixth graders had special projects that they did in science. Each student brought a rocket that they thought would fly for their class.

The gifted group of children went on special trips throughout the year. They went to the veterinary clinic in Frederick to see what vets do and all the equipment they use. They also went to the museum in Aberdeen to see the Art Gallery.

The eighth graders went to Aberdeen to look up information at the NSC Library and Alexander Mitchell Library for the term papers which they had to write for Mrs. Hinds' English class.

School Day Memories

As we reach out our hand
The diploma we grasp,
While we think of the memories
Of the years in the past.
Tears fill our eyes
Because it's all gone,
We're starting a new life,
We have to move on.
We hope friends will keep in touch
As the years pass us by.
Although it hurts inside
We'll try not to cry.
We think of kindergarten
And our first day,
Now we've reached the end
We are going away.
How do you say good-bye
To friends who mean so much?
Will there be time
To sincerely keep in touch?
You'll always have the memories
Of your school years from day one,
Don't think of school as ending
Think a new life has begun.
