FOOTBALL... WHERE EVERYONE KNOWS YOUR [NUMBER]

Looking back on the season, as well as going into the season, there was a lot of pressure on the team to not only do well and go deep into the playoffs, but to get to the next level and play for a championship. It involved hard work and a true team effort. I am very proud of the boys this season, and that includes every member of the team, they came to practice and worked hard for one reason, "To Get Better!" - Coach Morlock

CROSS COUNTRY... WHERE EVERYONE KNOWS YOUR [STRIDE]

The Titans cross country teams enjoyed very good seasons, with both the boys and girls showing great improvement throughout the year. The girls' team was very young and lacked experience, with it being the rookie season for all five members. The hard work paid off for the runners and they were able to place in a majority of their races throughout the year. By the season's end, Michaela and Brooklyn Podoll were able to move up to varsity, place at the Region Meet and qualify for the State Meet. Michaela also placed at the Lake Region Conference Meet, so she earned All-Conference honors. The teams hope to build on this year's success for next fall.

VOLLEYBALL... WHERE EVERYONE KNOWS YOUR [SERVE]

The 2013 volleyball season ended with an 8-22 record. We had 2 returning starters from the 2012 season and 4 new starters. The 2013 Titans improved in their serving throughout the season. Our blocking improved throughout the season. We have a very young Titans team as we only had 3 seniors and 2 juniors for the 2013 season. The 2013 Titans did a great job of playing together as a team and didn't get frustrated with each other on the court. The Titans have made it to the second round of districts the last two seasons and we hope to continue that in future seasons. - Coach Mueller

"I thought we had a great season full of ups and downs. We were able to accomplish some good things and ended the season achieving personal and team goals. There were some rough points during the season. We struggled with chemistry as well as grasping a new system. We were able to overcome some adversity, find an identity and match a 6 game losing streak with a 5 game winning streak. We had great senior leadership and a group of guys that when it was time put their hard hats on and go to work, they got it done. I was pleased with the outcome of season believing in our final game we were able to give the district champion and region champion Langford squad all they could handle. I want to thank all the boys for their hard work and dedication." -Coach Robinson

GIRLS BASKETBALL... WHERE EVERYONE KNOWS YOUR [SKILLS]

The 2013 - 2014 season saw many improvements for the Titans. We doubled our win total from the previous year, winning 7 games vs. 3 last year. The girls won their first postseason game since 2008, a span of 6 years. Statistically, improvements were vast. Field goals made and attempted were both up. Field Goal Percentage went from 24% to 34%. The team had more rebounds, and assists nearly doubled. We had 4 more steals per game, and 6 fewer turnovers, a net of 10 more possessions per game. We scored 12 more points per game, and allowed 5 fewer for a +17 point differential over previous season. Obviously, there were many statistical improvement individually. Leading scorer was MacKenzie Heilman. Heilman also led the team in rebounds, followed closely by Chandler Ellwein. Michaela Podoll led in assists and steals. -Coach Podoll

-Soren Kierkegaard

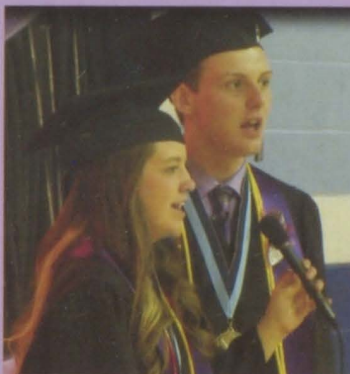

Saturday May 17, 2014 at 2:00, the day had finally arrived. Graduation day: the day we all crave throughout high school. Frederick holds tons of memories for each and every one of us and we will surely miss our classmates, teachers, and friends. Though the day had many tears, the whole gym celebrated as nineteen of us walked across the stage to receive our diplomas. As we go on to the next stages of our lives, we close this chapter, but it is one we will never forget.
